Children 14 years and younger are invited to submit a photo that represents “Our Town”: Northern California. Selected photos will be shown at Redding and Chico concerts put on by the North State Symphony in November, in which the orchestra will perform Aaron Copland’s “Our Town”. In addition, selected photos will be exhibited at the Valene L. Smith Museum of Anthropology in Chico and the Turtle Bay Museum in Redding.

Photos may depict people, places, landmarks, events, or anything else that helps to represent the great diversity and bustling life of Northern California.

Deadline: Friday, June 3, 2011
To submit a photograph, visit the web at www.northstatesymphony.org/ourtown or call 530-898-5984.
