**Difficult hikes** are full day trips, allowing groups to access the most remote areas of the BCCER and discover the hidden treasures few are able to experience.

**Moderate hikes** are half day trips, descending into the Canyon on dirt roads and primitive hiking trails concluding with lunch beside Big Chico Creek. Those up for the challenge can hike back to the top after lunch, others may opt for a shuttle ride.

**Easy hikes** are half day trips, following the gentler contours of the canyon and walk the safest routes of the Reserve, taking time to enjoy the spring time magic.

All outings will meet at the Chico Park and Ride at 9:00 AM unless otherwise indicated. **Everyone should wear sturdy hiking shoes and bring a sack lunch** to enjoy along the hike. **Trips are rain or shine**, so come prepared!

Maximum of 15 people per hike unless otherwise indicated. Trips are **free to the public** but charitable donations are gladly accepted. **For more information and to sign up** call our office at (530) 898-5010. Visit us on our web site at www.csuchico.edu/bccer/
