Politics is the study of public power. Who has it? Who influences it? How does it work? Political science focuses on local, state, national, and international levels. Beyond this, the lessons of politics apply in all areas of life, including family and job relationships.

THE BA IN POLITICAL SCIENCE offers great flexibility; students choose courses from a rich curriculum, providing close student-faculty contact. Significant work experience and internship opportunities are offered to students who may work in the state legislature, with lobbying groups, political parties, political consultants, and in the offices of U.S. Senators and Representatives.

THE BA OPTION IN LEGAL STUDIES provides students with an innovative course of study with a law-related emphasis. The option offers five patterns of study: alternative dispute resolution, law and the environment, law and politics, law and social interests, and paralegal studies. All patterns give students an opportunity to gain practical experience in internships or independent research. The pre-law concentration is unique to Chico. The public law intern program gives students practical experience through contact with lawyers, judges, prisoners, and persons in the community. Students work in areas of the law such as housing, penal, consumer, welfare, and the environment. Students participate in mock trials and moot courts in a simulated courtroom.

THE BA AND MA IN PUBLIC ADMINISTRATION provides training for careers in public service or non-profit organizations. The MA program offers outstanding program options in Health Administration and Local Government Management. A major feature of this program is administration in a non-metropolitan setting.

THE BA IN CRIMINAL JUSTICE emphasizes courses in the criminal justice system, substantive criminal law, criminal justice policy, and criminal procedure, as well as interdisciplinary learning. Honor students are able to gain practical experience through internships in a criminal justice agency.

International Relations

THE BA IN INTERNATIONAL RELATIONS combines intensive study of international relations with area and interdisciplinary study. Maximum latitude is allowed in selecting courses offered in political science and related departments. In addition to gaining a broad liberal arts education, students receive excellent preparation for advanced graduate study, the foreign service, or careers in international affairs, business, or non-profit institutions.

Alternative Dispute Resolution and Paralegal Certificates

A growing number of institutions are using paralegals and adopting alternative dispute resolution (ADR) as a means of solving conflicts. The ADR program provides course work and internships focused on mediation and arbitration. Paralegals work in legal aid and public defender offices, consumer protection programs, senior citizen projects, government agencies, and private law firms. Under a lawyer’s supervision, students in both programs engage in research, conduct interviews and investigations, and represent clients before administrative agencies.

Study Abroad

The Department of Political Science supports the concept of international education and encourages students to investigate opportunities for study at CSU international program centers in foreign countries. Students should consult the International Relations adviser or the Center for International Studies for information.

Career Outlook

BA and MA graduates fill staff and management positions in local, state, and federal government, as well as business and industry. Some sit in Congress and in statehouses. A large number work as staff to elected political officials. Many work as lobbyists, journalists, and in government and public relations. Since Chico sponsors a unique and nationally known pre-law and paralegal studies program, many excel in careers in law.
THE BACHELOR OF ARTS IN POLITICAL SCIENCE

Total Course Requirements for the Bachelor's Degree: 120 units
See “Requirements for the Bachelor’s Degree” in The University Catalog for complete details on general degree requirements. A minimum of 40 units, including those required for the major, must be upper division.

Electives Requirement:
To complete the total units required for the bachelor’s degree, select additional elective courses from the total university offerings. You should consult with an adviser regarding the selection of courses which will provide breadth to your university experience and possibly apply to a supportive second major or minor.

Grading Requirement:
All courses taken to fulfill major course requirements must be taken for a letter grade except those courses specified by the department as Credit/No Credit grading only.

Advising Requirement:
Advising is mandatory for all majors in this degree program. Consult your undergraduate adviser for specific information.

Honors in the Major
Honors in the Major is a program of independent work in your major. It involves 6 units of honors course work completed over two semesters. Your Honors work will be recognized at your graduation, on your permanent transcript, and on your diploma. It is often accompanied by letters of commendation from your mentor in the department or the department chair. Most importantly, however, the Honors in the Major program allows you to work closely with a faculty mentor in your area of interest on an original performance or research project. This year-long collaboration allows you to work in your field at a professional level and culminates in a public presentation of your work. Students sometimes take their projects beyond the university for submission in professional journals, presentation at conferences, or competition in shows; such experience is valuable for graduate school and professional life.

Some common features of Honors in the Major program are:
1. You must take 6 units of Honors in the Major course work. At least 3 of these 6 units are independent study (499H) as specified by your department. You must complete each class with a minimum grade of B.
2. You must have completed 9 units of upper-division course work or 21 overall units in your major before you can be admitted to Honors in the Political Science,
Major. Check the requirements carefully, as there may be specific courses that must be included in these units.
3. Your cumulative GPA should be at least 3.5 or within the top 5 percent of majors in your department.
4. Your GPA in your major should be at least 3.5 or within the top 5 percent of majors in your department.
5. Most students apply for or are invited to participate in Honors in the Major during the second semester of their junior year. Then they complete the 6 units of course work over the two semesters of their senior year.
6. Your honors work culminates with a public presentation of your Honors project.

While Honors in the Major is part of the Honors Program, each department administers its own program. Please contact your major department or major adviser for further information.

See Pre-Law Adviser for additional information.

THE MASTER OF ARTS IN POLITICAL SCIENCE

Course Requirements for the Master's Degree: 30 units

Continuous enrollment is required. A maximum of 6 semester units of transfer credit may be applied toward the degree.

Graduate Time Limit: All requirements for the degree are to be completed within five years of the end of the semester of enrollment in the oldest course applied toward the degree. See “Graduate Education” in The University Catalog for complete details on general degree requirements.

Prerequisites for Admission to Conditionally Classified Status:

1. Satisfactory grade point average as specified in “Admission to Master’s Degree Programs” in The University Catalog.
2. Approval by the department and the Office of Graduate Programs.
3. An acceptable baccalaureate in Political or Social Science from an accredited institution, or an equivalent approved by the Office of Graduate Studies.
4. All new students enter as conditionally classified students. Conditionally classified students are required to make no grade lower than a B-, maintain an overall grade point average of 3.0, and finish all course work (no “Incomplete” or “Satisfactory Progress”).

Prerequisites for Admission to Classified Status:

In addition to any requirements listed above:

1. Completion of a minimum of 9 units of graduate study as a conditionally classified student, including a graduate seminar.
2. Completion as an undergraduate or post-graduate of the prerequisite courses in Political Inquiry (POLS 331 or equivalent) and 3 units in Political Theory, as approved by the Graduate Coordinator.
3. Formation of a graduate advisory committee. This should be done as early as possible and in consultation with the Graduate Coordinator. For students who select the Thesis Plan, at least two of the three faculty members on the committee, including the chair, must be chosen from the Political Science Department. The Thesis Committee and the Graduate Coordinator are responsible for all guidance of the student through completion of the degree. For students who select the Comprehensive Exam Plan, the Graduate Coordinator organizes the graduate advisory committee and is responsible for guidance of the student through completion of the degree.
4. Development of an approved master's degree program plan. The Graduate Coordinator works with the student in the development of the student's master's degree program plan. The plan must be approved by the graduate advisory committee, the Graduate Coordinator, and the Office of Graduate Studies.

Advancement to Candidacy:

In addition to any requirements listed above:

1. Completion of at least 18 units of the student's master's degree program plan.
2. Graduate advisory committee approval of the student's thesis proposal or the two study fields in which examinations will be taken.
3. A minimum grade point average of 3.0.

Requirements for the MA Degree in Political Science:

Completion of all requirements as established by the department MA Committee, the Department of Political Science, the graduate advisory committee, and the Office of Graduate Studies, to include:

1. Completion of an approved program consisting of 30 units of 400/500/600-level courses as follows:
   (a) At least 24 units in political science.
   (b) At least 18 units required for the degree in 600-level courses in political science or in a social science approved by the student's graduate advisory committee and the Graduate Coordinator.
   (c) Not more than 6 semester units of transfer and/or extension credit (correspondence courses and U.C., extension course work are not acceptable).
   (d) Not more than 3 units of internship course work and only if the student has a GPA of 3.2 or better and the student's graduate committee or the Graduate Coordinator agrees that the internship is a meaningful educational experience.
   (e) Not more than 9 units of Independent Study (POLS 697) and Master’s Thesis (POLS 399T); not more than 6 units of Master’s Thesis (POLS 399T).
   (f) Students specialize in two fields of study. Students are required to take American Politics as a mandatory field of study and then choose either International Relations and Comparative Politics or Public Policy and Public Affairs as their second field of study.
These are the field requirements:

i. American Politics — Mandatory Field

Students are encouraged to take additional courses in study fields in which they elect to be examined.

(g) For students who select the Thesis Plan, the final 3 units are fulfilled by taking an elective course chosen from the approved courses in one of their two fields of study.

2. Completion and final approval of one of the following, as specified by the student's graduate advisory committee:

a. Thesis Plan

The candidate shall submit an acceptable thesis based upon research developed by the student and agreed to by the student’s graduate advisory committee.

1) Thesis Proposal: A proposal (prospective or detailed outline) of the thesis must be submitted to and approved by the graduate advisory committee before the student begins the thesis. The proposal must include at least a statement of the problem or hypothesis, a relevant review of the literature, the basic research methods to be employed, justification of the study's value, and estimated time required to complete the thesis. The proposal is a formal document which must have appropriate attention given matters of format, documentation, and quality of writing.

2) Registration in POLS 399T, Master’s Thesis: The student should register for POLS 399T no earlier than the second semester in the program and in accordance with his/her thesis plan. However, it is advisable that the student complete most of the program course work before registering for POLS 399T.

3) Approval of Thesis: The thesis shall be approved by all three members of the graduate advisory committee.

4) Oral Defense: A required oral defense of the thesis shall be conducted by the candidate’s graduate advisory committee. Interested faculty members may attend. The oral defense is generally limited to matters within the scope of the thesis. The candidate may repeat the defense one time if failed by the committee on the first attempt. The time and date of the defense must be noted in print and circulated to the Office of Graduate Studies at least one week prior to the date.

b. Comprehensive Examination Plan

1) Written Comprehensive Examinations: The candidate shall complete and pass written examinations in each of two study fields: American Politics and a second field chosen by the candidate (either International Relations and Comparative Politics or Public Policy and Public Affairs).

2) Preparing for Comprehensive Exams: Students are given lists of suggested readings for various fields of study in political science. Candidates are expected to have a broad understanding of their fields of study and to cite the relevant and important scholarly literature in responding to comprehensive exam questions.

3) Grading: Each examination shall be graded as pass or fail.

4) Repeating Written Examinations: Both examinations must be passed. The candidate may repeat each of the examinations once.

3. Approval by the departmental graduate committee and the Graduate Coordinators Committee on behalf of the faculty of the university.

Graduate Literacy Requirement:

Writing proficiency is a graduation requirement.

Political Science graduate students will demonstrate their writing competence through the first seminar in which they enroll. The instructor of that seminar will certify for the Graduate Coordinator that the student has met the requirement. Consult with the Graduate Coordinator for specifics.

Graduate Grading Requirements:

All courses in the major (with the exceptions of Independent Study - 597/599, Comprehensive Examination - 696, Master’s Project - 697, and Master’s Thesis - 699T) must be taken for a letter grade, except those courses specified by the department as ABC/No Credit (400/500-level courses), AB/No Credit (600-level courses), or Credit/No Credit grading only. A maximum of 10 units combined of ABC/No Credit, AB/No Credit, and Credit/No Credit grades may be used on the approved program (including 597/599, 696, 699F, 699T and courses outside the major). While grading standards are determined by individual programs and instructors, it is also the policy of the university that unsatisfactory grades may be given when work fails to reflect achievement of the high standards, including high writing standards, expected of students pursuing graduate study.
Students must maintain a minimum 3.0 grade point average in each of the following three categories: all course work taken at any accredited institution subsequent to admission to the master's program; all course work taken at CSU, Chico subsequent to admission to the program; and all courses on the approved master's degree program.

In addition, no course in which a grade lower than B- is earned will be counted toward the fulfillment of any graduate degree requirements.

Graduate Advising Requirement:
Advising is mandatory each semester for all Political Science MA students. Consult with the Graduate Coordinator for specifics.

THE MASTER OF
PUBLIC ADMINISTRATION

Course Requirements for the Master's Degree: 42 units
Continuous enrollment is required. A maximum of 6 semester units of transfer credit may be applied toward the degree.

Graduate Time Limits
All requirements for the degree are to be completed within five years of the end of the semester of enrollment in the oldest course applied toward the degree. See “Graduate Education” in The University Catalog for complete details on general degree requirements.

Prerequisites for Admission to Conditionally Classified Status:
1. Satisfactory grade point average as specified in “Admission to Master’s Degree Programs” in The University Catalog.
2. Approval by the department and the Office of Graduate Programs.
3. An acceptable baccalaureate from an accredited institution, or an equivalent approved by the Office of Graduate Studies.
4. Students entering into the MPA: Option in Health Administration are expected to have completed a prerequisite course, HCSV 431, Organization of the Health Care Delivery System, or its equivalent. This course is a prerequisite to POLS 663 and POLS 664 for the Option in Health Administration. This course can be completed as a postgraduate.

While taking 600-level courses, all new students enter as conditionally classified graduate students. When the Department of Political Science has doubts about the applicant’s qualifications to pursue the master’s degree program (because of grade point deficiencies or other reasons), the student may be encouraged to seek admission to the Office of Graduate Studies as an unclassified student. This gives the student a trial period to demonstrate ability. Normally, a decision to admit the unclassified student to conditionally classified status in public administration will be made after completion of at least 9 approved units as an unclassified student.

Conditionally classified students are expected to make no grade lower than a B- and finish all course work (no “Incomplete” or “Satisfactory Progress”).

Prerequisites for Admission to Classified Status:
In addition to any requirements listed above:
1. Completion of a minimum of 9 units of graduate study as a conditionally classified student, including a graduate seminar.
2. Formation of a graduate advisory committee. This should be done as early as possible and in consultation with the Graduate Coordinator. Generally, no more than 15 units will be counted toward the graduate degree program in Public Administration taken before the formation of the graduate committee. Students selecting the thesis option must have a committee of three faculty members. At least two of the three faculty members on the committee, including the chair, must be chosen from the Department of Political Science, except that committees for students in the Health Administration Option may be chaired by a faculty member from HCSV. Students selecting the professional paper plan must have a committee of two faculty members. The chair of the committee must be the faculty member in charge of the student’s professional paper.
3. Development of an approved master’s degree program plan. The graduate advisory committee works with the student in the development of the student’s master’s degree program plan. The plan must be approved by the graduate advisory committee, the Graduate Coordinator, and the Office of Graduate Studies.

Advancement to Candidacy:
In addition to any requirements listed above:
1. Completion of at least 15 units of the student’s approved master’s degree program plan.
2. Graduate advisory committee approval of the student’s thesis proposal or POLS 680 instructor’s approval of policy analysis topic and enrollment in POLS 680.
3. A minimum grade point average of 3.0.

Requirements for the Master of Public Administration:
Completion of all requirements as established by the departmental graduate committee, the graduate advisory committee, and the Office of Graduate Studies, to include:
1. Completion of an approved program consisting of 42 units of 600-level courses, as follows:
   (a) At least 36 units in the discipline of Public Administration.
   (b) Not more than 6 semester units of transfer and/or extension credits. (correspondence courses and U.C. extension course work are not acceptable.) Not more than 6 units from another department within the university, and with approval by the graduate advisory committee.
   (c) Not more than 3 units of internship course work and only if the student’s graduate committee or the Graduate Coordinator agrees that the internship is a meaningful educational experience. Internships are encouraged for pre-service students.
   (d) Not more than 9 units of independent study. Master’s Thesis (POLS 399T), or Culminating Practicum (POLS 680); not more than 6 units of Master’s Thesis (POLS 399T). Independent Study (POLS 697) topics cannot be the same as POLS 680 papers or thesis topics.

CULMINATING ACTIVITY:
Completion and final approval of one of the following two plans as specified by the student’s graduate advisory committee.

a. Thesis Plan
The candidate shall submit an acceptable thesis based upon research developed by the student and agreed to by the student’s graduate advisory committee.
(1) Thesis Proposal: A proposal (prospectus or detailed outline) of the thesis must be submitted and approved by the graduate advisory committee before the student begins the thesis. The proposal includes at least a statement of the problem or hypothesis, the basic research methods to be employed, justification of the study’s value, and estimated time of completion. The proposal is a formal document which must have appropriate attention given to the matters of format, documentation, and quality of writing.
(2) Registration in POLS 399T, Master’s Thesis: The student should register for POLS 399T no earlier than the third semester in the program and in accordance with his/her thesis plan. However, it is advisable that the student complete most of the program course work before registering for POLS 399T. An approved thesis proposal is required for registration in POLS 399T.
(3) Approval of Thesis: The thesis shall be approved by all three members of the graduate advisory committee.
Political Science

(4) Oral Defense: A required oral defense of the thesis shall be conducted by the candidate’s graduate advisory committee. Interested faculty may attend. The oral defense is generally limited to matters within the scope of the thesis. The candidate may repeat the oral defense one time if failed by the committee on the first attempt. The time and place of the defense must be noted in print and circulated to the Office of Graduate Studies at least one week prior to the date. The Political Science Department should be notified of the oral defense two weeks prior to the date.

b. Professional Paper Plan

Enrollment in POLS 680, Culminating Practicum, and successful completion of a professional research paper (Policy Analysis) of sufficient range in subject and method to demonstrate a broad acquaintance with the relevant theory and methodology and a capacity for in-depth analysis and investigation. The completed paper shall be presented before interested faculty and graduate students and approved by both members of the graduate committee.

2. Approval by the department graduate committee and the Graduate Coordinators Committee on behalf of the faculty of the university.

Graduate Literacy Requirement:
Writing proficiency is a graduation requirement.
Graduate students in Public Administration will demonstrate their writing competence through POLS 602 or the first graduate seminar in which they enroll. The instructor of that seminar will certify to the Graduate Coordinator that the student has met the requirement. Students should consult with the Graduate Coordinator for specifics.

Graduate Grading Requirements:
All courses in the major (with the exceptions of Independent Study - 597/697, Comprehensive Examination - 696, Master’s Project - 699P, and Master’s Thesis - 699T) must be taken for a letter grade, except those courses specified by the department as ABC/No Credit (400/500-level courses), AB/No Credit (600-level courses), or Credit/No Credit grading only. A maximum of 10 units combined of ABC/No Credit, AB/No Credit, and Credit/No Credit grades may be used on the approved program (including 597/697, 696, 699P, 699T and courses outside the major). While grading standards are determined by individual programs and instructors, it is also the policy of the university that unsatisfactory grades may be given when work fails to reflect achievement of the high standards, including high writing standards, expected of students pursuing graduate study.

Students must maintain a minimum 3.0 grade point average in each of the following three categories: all course work taken at any accredited institution subsequent to admission to the master’s program; all course work taken at CSU, Chico subsequent to admission to the program; and all courses on the approved master’s degree program.

In addition, no course in which a grade lower than B- is earned will be counted toward the fulfillment of any graduate degree requirements.

Graduate Advising Requirement:
Advising is mandatory each semester for all Public Administration majors. Consult with the Graduate Coordinator for specifics.
