Upper-Division Theme: 9 Units Required

2. Complete all 12 units of the GE Core Requirement (Area A: Skills) before you begin your upper-division theme.

3. Complete all nine units within one of the themes listed below. Course titles and brief descriptions of the themes and of the exceptions are found in the GE section of the The University Catalog, and at <http://www.csuchico.edu/catalog/req/ge_theme.html>. Exceptions to this rule have been approved for selected high-unit majors, which may also be found at the above-mentioned locations.

4. Several courses are co-listed, e.g., CSCI 380/PHIL 364. This denotes that teaching responsibilities are shared between two academic departments. Choose either version.
