Fees and Tuition
The following fees and other expenses are scheduled for the 2009/2010 academic year.
The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

Updated fee information, payment deadlines, and procedures are provided each semester in the Class Schedule on the Chico Website (http://www.csuchico.edu).
You may pay fees in cash, by check, or electronically. For information, please contact Student Financial Services at 530-898-5936 or see http://www.csuchico.edu/sfn.
Legal residents of California are not charged tuition for their bachelor’s or master’s degree. Application and Semester Registration Fees are applicable to all students. See also Fee Waivers and Exemptions at the end of this chapter.

Application Fee
$55.00
The Application Fee is non-refundable and payable by check, money order, or credit card at the time you submit your application. Fees are subject to change without notice.

Semester Registration Fees
You will be charged and liable for registration fees, according to the table on the next page, and non-resident tuition (if applicable) for any and all classes in which you are enrolled on the first day of classes or subsequently add. You will be liable to add and drop courses within the first two weeks of classes without financial penalty as long as you remain enrolled in classes. If you drop all classes or withdraw from the University on or after the first day of classes, you will be liable for part or all registration fees depending upon your drop/withdrawal date. Exceptions are granted only for compulsory military service. (See the Class Schedule “Important Registration Activities Dates, and Deadlines.”)

Registration Fees Owed when Additional Units Are Requested: After the Fee Payment Deadline, you may only register for the total number of units for which you have paid. If you paid for only part-time instruction and want to add to the full-time level, you must pay the additional fees before you add more classes. Go to Student Financial Services-Cashiering to pay additional fees if necessary.

Non-resident Tuition
In addition to the registration fees on page 106, non-resident students (U.S. and international) must pay an additional $372.00 for each semester unit or fraction thereof. The tuition must be paid by the end of the second week of the semester to avoid deferred payment plan fees and service charges. The maximum nonresident tuition per academic year (as of 2009-10) is $11,160.

Payment of Registration Fees
Credit Cards
Master Charge bank credit cards may be used for payment of student fees. VISA is not accepted.

The Fee Payment Deadline
Registration fees are payable anytime, but they must be received no later than the published Registration Fee Payment Deadline for the term. See “The Academic Calendar” in the University Catalog, or “Important Registration Activities, Dates, and Deadlines” and the sections on “Fees, Tuition, Credits, and Refunds” in the Class Schedule on the Chico Web for current term fee and deadline information.
A $25 late fee will be assessed if registration fees have not been paid by the Fee Payment Deadline, unless you are a financial aid recipient. Financial aid recipients must pay any difference between anticipated aid and registration fees by the Fee Payment Deadline. Any remaining balance must be paid by financial aid disbursement or personal payment no later than the 2nd Friday of the term to avoid a $25 late fee. If you have not paid fees or have sufficient anticipated financial aid, classes may be dropped prior to the first day of classes.
If you do not plan to attend, you are responsible for dropping classes and/or withdrawing from the University.

Deferred Payment Plans
The CSU offers two deferred payment plans to assist non-financial aid students. The first plan will defer two-thirds of the State University Fee for all eligible students who apply, and the second plan will defer tuition for non-resident students. The first plan has a $33 non-refundable service charge; the second plan has a 15 percent non-refundable service charge.

State University Fee deferment contracts must be received prior to the registration Fee Payment Deadline. Non-Resident Tuition contracts must be received prior to the Non-Resident Tuition Payment Deadline of the 2nd Friday of classes. To receive additional information or payment contracts, please see http://www.csuchico.edu/sfn or go to Student Financial Services, Kendall 213, or phone 530-898-5936.

Financial Aid Students and Payment of Registration Fees
You must pay any difference between your anticipated financial aid and registration fees by the Fee Payment Deadline. Any remaining balance will be deferred until your financial aid disbursement(s). A $25 late fee may be assessed after the 2nd Friday of the term if your financial aid has not been disbursed, your financial aid disbursement was insufficient to pay your balance in full, or you have not paid your fees yourself. An additional $20 past due fee may be assessed if payment is not received by billing notification. Students with insufficient anticipated financial aid may have their classes dropped for non-payment.

If you defer payment of fees pending your financial aid disbursement, you are still liable for part or all fees and tuition for all classes in which you were enrolled on or after the first day of classes depending upon the date of your drop/withdrawal, regardless of whether you later receive financial aid or not.
If you do not plan to attend, you are responsible for dropping classes and/or withdrawing from the University.

Regional & Continuing Education Registration Fees
Please see the Regional & Continuing Education chapter in the front of the University Catalog.

Course Fees and Deposits
Course fees and deposits are approved for certain classes which have extraordinary costs for materials or services. Courses that require a fee are listed on the Class Schedule with the amount of the fee given in the “Fees” column, on your Study List, or announced in the course syllabus.

### Parking Fees

Parking on campus is by permit only.

**Regular Session (per semester):**
- Automobiles: $72.00
- Motorcycles/Scooters: $18.00

**Summer Session:**
- Automobiles: $48.00
- Motorcycles/Scooters: $12.00

Weekly, subject to availability:
- Automobiles: $4.80

**Please note:** On-campus parking at Chico State is limited. Parking permits are expensive, hard to obtain, and often you have one there is still no guarantee you will be able to find an available space in the lot of your preference. We strongly encourage you to leave your automobile at home and consider using a bicycle or bus to travel back and forth to class. It is more economical, conserves energy resources, and saves you the frustration of trying to find a parking space.

### Financial Credit Policy for Fees and Tuition

In order to receive a full refund of mandatory fees, including nonresident tuition, a student must cancel registration or drop all courses prior to the first day of instruction for the term. The amount of financial credit received (if any) is dependent upon the date all classes are dropped or withdrawal is processed. No financial credit will be received for any classes dropped after the 2nd Friday of classes plus any classes in which the student drops ALL classes and/or withdraws from the University for the semester and may be eligible for a partial financial credit depending upon the drop or withdrawal date.

**Students** will also receive a refund of mandatory fees, including nonresident tuition, under the following circumstances:
- The tuition and mandatory fees were assessed or collected in error;
- The course for which the tuition and mandatory fees were assessed or collected was cancelled by the University;
- The University makes a delayed decision that the student is not eligible to enroll in the term for which the mandatory fees were assessed and collected and the delayed decision was not due to incomplete or inaccurate information provided by the student; or
- The student was activated for compulsory military service.

All refunds will be subject to a $5 administrative charge. Withdrawal includes medical withdrawal and educational leave. Exception provided only for compulsory military service.
Students who are not entitled to a refund as described above may petition the University for a refund demonstrating exceptional circumstances, and the chief financial officer of the University, or designee, may authorize a refund if he or she determines that the fees and tuition were not earned by the University.

How to calculate pro-rated refund:
1. Count the number of calendar days from first day of classes to actual withdrawal date.
2. Divide the number of days by 110 (number of days in the semester) and multiply it by registration fees and tuition charged to get your pro-rated fee.
3. Subtract pro-rated fees from fees paid. This will be your refund, less a $5 administrative charge. If you have not paid your fees because of a financial aid deferral or payment plan, it is possible that you will still be financially responsible for an unpaid portion of your fees.

Example:
1. John withdraws from all his classes on Sept. 10. He is entitled to a pro-rated refund for the days the class is in session. As a result of an overpayment, charge in enrollment, or financial aid disbursement.
2. $10 / 110 x $1685.00 = $153.18.
3. $1,685.00 - $153.18 = $1,531.82 - $5.00 admin. fee = $1,526.82 refund

Refund of Fees — Financial Credit Refund Policy
A refund check or electronic funds transfer (if you have signed up) will automatically be processed whenever there is a financial credit on your account provided by a result of an overpayment, charge in enrollment, or financial aid disbursement. Any funds owed to you by the State of California may be withheld as payment against any unpaid obligation to the University. Refunds to financial aid recipients are withheld by the University in order to return the funds to the aid programs.

Details regarding which fees may be refunded, the circumstances under which fees may be refunded, and the appropriate procedure to be followed in seeking refunds may be obtained by consulting Section 42201 (parking fees), 41913 (nonresident tuition), 42019 (housing charges), and 41802 (all other fees) of Title 5, California Code of Regulations. Information concerning any aspect of the refund of fees may be obtained from the Student Financial Services office.

Debts Owed to the University
Should a student or former student fail to pay a debt owed to the institution, the institution may "withhold registration, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise, or any combination of the above from any person owing a debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381). Prospective students who register for courses offered by the University are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees, including any tuition for the reservation of space in the course.

The institution may withhold permission to enroll in regular session courses on a space-available basis with a substantial reduction in fees. The application fee is waived. You must meet admission criteria and provide all transcripts and required admission test scores. Fee waivers are available to undergraduate and graduate students. You may obtain further information and apply for the waiver from the Office of Admissions, 530-898-6321.

Procedure for the Establishment or Abolishment of a Student Body Fee
The law governing the California State University provides that fees defined as mandatory, such as a student body association fee and a student body center fee, may be established. A student body association fee must be established upon a favorable vote of two-thirds of the students voting in an election held for this purpose (Education Code Section 89300). A student body center fee may be established only after a fee referendum is held which approves by a two-thirds favorable vote the establishment of the fee (Education Code Section 89304). The student body fee was established at California State University, Chico by student referendum in March 17, 1982. The campus President may adjust the student body association fee only after the fee adjustment has been approved by a majority of students voting in a referendum established for that purpose (Education Code Section 89300).

The required fee shall be subject to referendum at any time upon the presentation of a petition to the campus President containing the signatures of 10 percent of the regularly enrolled students at the University. Once bonds are issued, authority to set and adjust student body center fees is governed by provisions of the State University Revenue Bond Act of 1947, including, but not limited to, Education Code Sections 90012, 90027, and 9006b. Student body association fees support a variety of cultural and recreational programs, childcare centers, and special student support programs.

The process to establish and adjust other campus-based mandatory fees requires consideration by the campus fee advisory committee and a student referendum. The campus President may use alternative consultation mechanisms if he/she determines that a referendum is not the best mechanism to achieve appropriate and meaningful consultation. Results of the referendum and the fee committee review are advisory to the campus President. The President may adjust campus-based mandatory fees, but must request the Chancellor establish a new mandatory fee.
