SUMMER 2009 FINANCIAL AID INFORMATION

Priority Deadline: May 8, 2009 to defer fees

Summer Term Change of Program (Summer COP) form required June 1-August 18, 2009 to add/drop classes. Financial Aid students MUST have approval by the Financial Aid and Scholarship Office to change classes.

Requirements prior to submission of summer aid application:

You must:

• Register for classes prior to submitting this application. Financial aid students who met the priority deadline must pay the difference between their registration fees and anticipated aid by the May 21 fee payment deadline. Students who do not meet the priority deadline must pay full fees by May 21 to hold classes. There will be no fee deferment after May 21, 2009.
• Have an 08-09 FAFSA on file with all verifications, corrections and updates received from the FAFSA processor by May 22, 2009.
• Be a continuing CSU, Chico student. If you are graduating Spring 2009 and entering into a new CSU, Chico program, you are not eligible for summer aid unless your new program requires you to begin in summer.

Eligibility for summer aid:

1. You must have aid eligibility remaining for the 08-09 academic year.
   • Undergraduates and Credential students: you may be eligible for summer Pell Grant if you did not receive full-time Pell (enrolled in at least 12 units/sem.) in 08-09.
2. Post-baccalaureate and graduate students:
   • If you are in a conditionally classified postbaccalaureate program and have already received aid as a conditionally classified student prior to Fall 2008, you will not be eligible for further financial aid until admitted into a Credential, Master’s, or second Bachelor’s degree program.
3. You must have made satisfactory academic progress, and be within the federal aid maximum units requirements (168 completed units, 180 attempted units undergraduates, 60 units graduates).
4. Failure to attend classes after receiving aid will require repayment. Class enrollment changes, including school cancellation of class(es), will result in adjustment of aid and repayment by you, if applicable.
5. If you received veteran’s benefits, a fee waiver or an outside agency paid your fees during the 08/09 academic year, we will assume continued receipt of benefits for summer. Please contact us if you will no longer be eligible for these benefits in summer.
6. If you are considering a CSU Visitor or Concurrent agreement for summer, make an appointment with a financial aid advisor.

Processing time and Notification of Eligibility:

1. Application processing time will take approximately two weeks from submission, depending on volume.
2. Notification of summer financial aid will be by e-mail. Check your Student Center.
3. Disbursement dates are June 4, June 25, July 2, and July 30. Aid will be disbursed on the date that is not more than 10 days prior to the start of your first summer session. Please note: in some cases, the disbursement will occur after the start of your first class. If you are on financial aid probation, your aid will not be disbursed before June 25.
4. If you have not already signed up for Electronic Fund Transfer (EFT) to have your aid delivered directly to your checking account, we recommend you do so at www.csuchico.edu/sfin/EFTAuthorization.pdf. EFT must be completed at least 20 days prior to your disbursement. Otherwise, make sure you update your mailing/local address on your Student Center.
