CSU, Chico Sport Club Program

CODE OF CONDUCT CONTRACT

ALCOHOL POLICY
I understand that I may not consume or be in possession of alcohol or illegal drugs while serving as a representative of the club and the institution. This includes, but is not limited to:

• both on and off campus activities
• during travel from the time the club leaves Chico to the time the club returns to Chico
• any activity, gathering, or social function that could be considered a club function due to the makeup of the participants

Failure to adhere to this policy will result in the loss of eligibility, funds and/or campus recognition. This includes attendance by members of one club to an activity sponsored by another club.

CONDUCT POLICY
I understand that all teams are responsible for their players’ conduct during practice, games, travel, and any place or time that the team has congregated or is visible to the public. Teams have a responsibility for the conduct of their fans. Failure to adhere to this policy may result in the loss of eligibility, funds and/or campus recognition. Student-athletes found in violation of the student conduct code are subject to disciplinary action through Student Judicial Affairs, which may result in formal sanction(s). Disciplinary sanctions may affect a student's ability to represent the university including participation in varsity and/or club sports. Participation of student-athletes on a disciplinary sanction is at the discretion of the Athletic Director and/or Director of Club Sports.

Individual club members are responsible for their actions unrelated to their club participation. Individual actions, however, can still affect their participation in Sport Clubs. Actions that may result in the loss of club eligibility include, but are not limited to:

• any behavioral infraction which results in placement on disciplinary probation by the Office of Student Judicial Affairs
• academic performance which results in placement on academic probation, or a GPA drops below 2.0
• vulgar, obscene comments or gestures at practice or games
• unsportsmanlike conduct of any kind at practice or games

HAZING POLICY
No individual student or student organization may engage in or plan any activity that may be defined as “hazing.” The California Education Code defines hazing as “any activity which causes or is likely to cause bodily danger, physical harm, or personal degradation or disgrace.” In addition, no individual nor organization may, by physical or mental stress or by subtle or covert technique, impair, make captive, or destroy an individual’s freedom of thought or choice.

Examples of hazing include, but are not limited to:

• forcing new members to serve or follow orders of older members outside of the practice or game activity
• physical exercise limited to new members
• activities involving depriving sleep, food, water, or personal hygiene for new members
• swearing at or insulting new members
• forcing new members to wear embarrassing attire or perform humiliating acts in public
• forced consumption of alcohol, water, food or other substances
• forced nudity or partial nudity for new members
• physical beatings or smearing the skin with unpleasant substances
• forced branding, piercing, tattooing, or head shaving
• sexual simulation or sexual assault
• kidnapping or forcible transport and/or abandonment of new members

NON-DISCRIMINATION POLICY
I hereby agree that the members of this organization are free to choose and accept new members without discrimination as to race, religion, national origin, or sexual orientation.

By signing below, I agree to the policies stated above, and understand that failure to fulfill these obligations can result in the loss of eligibility for Sport Club participation and individual sanctions or prosecution if warranted.
