Conditions of play not specifically covered by these rules will be left to the discretion of the head official, whose judgment is final.

BLOOD RULE
A player with a bloody injury or blood on his/her uniform must leave the game. The player may not return to the game until the wound is no longer bleeding, the wound is covered or the uniform is changed.

THE COURT
All Dodgeball competitions will be held in The WREC.

GENERAL
You must show a valid University ID to participate. Officials prior to the contest will collect ID cards. Any problems with lost or misplaced ID’s must be taken care of prior to game time at the WREC front desk Monday through Friday 6am to 12am and Saturday and Sunday 12pm to 8pm.

No ID, no play, no exceptions.

PLAYERS
1. Games are played with six players on the court.
2. A minimum of four players per team are needed to begin a game.
3. Co-ed teams must have no more male than female players on the court to begin a contest.
4. Co-ed teams can only begin with 4 players if two players are female. Co-ed teams can begin with 5 players as long as 3 are female.
5. Substitutes are allowed only in the case of injury.
6. Players eliminated during the game are not eligible to substitute in the event of an injury.

EQUIPMENT
1. A standard 6 v 6 game will use six game balls, provided by Recreational Sports.
2. Players may NOT wear any type of gloves during a contest.

TIME REGULATIONS
1. A match will consist of the best of 7 games.
2. Each game will have a three minute time limit.
3. Each team will receive one 30 second time out per game.
4. Only the referee’s whistle starts and stops the clock.
5. All players are in jeopardy of being eliminated until the referee signals the beginning of a time out or the end of regulation time.

* Exception: All LIVE balls in flight at time of an officials’ signal (to end regulation time or begin time-out) remain LIVE, and may eliminate an opponent, until the ball becomes dead.
BOUNDARIES
1. During play, all players must remain within boundary lines (indicated by the basketball boundaries and the cones located at the basketball endline).
2. Players may pass through their end-line to retrieve stray balls in their back court area, but must immediately re-enter the playing field through their own end-line.
   *Note: A player who does not immediately re-enter the playing area may be declared OUT*
3. A player shall NOT:
   a. Have any part of their body contact the playing surface on or over a sideline.
   b. Leave the playing field (sideline or end-line) to avoid being hit, or attempt to catch a ball.
   c. Have any part of their body cross over the center-line and contact the ground on their opponents’ side of the court (Exception: during opening rush, players may slightly cross the center line as they grab a ball. Officials should refrain from calling players OUT at this time unless the player’s actions yielded a definite advantage).
   *Note: At any time throughout the game, a player may step on the center line without penalty (as long as they do not cross it).*
4. A player that is deemed “out” must exit the playing field through the end-line.
5. If a teammate catches a live ball, an eliminated player may rejoin the game through the sideline at the prompt of the official.

THE GAME
*While calls are ultimately at the discretion of the officials, the “honor system” will occasionally be used, and players will be expected to rule whether or not a hit was legal or whether they were legally eliminated.*
1. Six dodge balls will be placed along the center line.
2. Players then take a position on their end line.
3. Following a signal by the official, teams may approach the center-line to retrieve the balls (called the “opening rush.”). During the opening rush a player may not slide or kick in order to gain possession of the ball.
4. Each/every ball retrieved at the opening rush must first be carried or passed beyond the attack line (10-foot line) and into the team’s backcourt before it may be legally thrown at an opponent.
5. The object of the game is to eliminate all opposing players by getting them OUT
   An OUT is scored by:
   a. Hitting an opposing player with a LIVE thrown ball below the shoulders.
   • Note: If a player ducks and this clearly is the cause for the player being hit above the shoulders, the player is out and the throw is considered legal.
   • Note: If a player is wearing a baseball hat, the hat is considered part of the body and if the hat is contacted at any point by the ball the player will be ruled out.
   b. Catching a LIVE ball thrown by your opponent.
   c. An opposing player stepping out of bounds.
   d. Causing an opponent to drop a held ball as a result of contact by a thrown LIVE ball.
      (Usually occurs when a ball is being used to block a thrown ball)
6. A player may block a thrown ball with a ball being held, provided the held ball is not dropped as a result of the contact with the thrown ball (see rule 5d).
7. The first team to legally eliminate all opposing players will be declared the winner.
8. If neither team has been eliminated at the end of regulation, the team with the greater number of remaining players will be declared the winner.
9. Teams may have no more than two people positioned along the back end line at all times. Between the white basketball court line and the hockey red line.
Revised 05/12
10. A player that is out must raise their hand when leaving the floor, to avoid getting hit.
11. A player can reenter the game anywhere on the sidelines.
12. A ball has to be thrown either overhand or underhand, it cannot be kicked, punched, or batted (ie volleyball serve).

GOLDEN HOOP: REGENERATION
Teams can, at any time, regenerate their squad to the allowable number of six players on the court by making a basket with a dodgeball in the hoop located on the opponent’s side of the court. The ball may hit any part of the basketball hoop, supports, or ceiling and still go through the basket to count. Any ball (thrown or deflected) that hits any part of the basket or support and/or goes through the hoop, becomes dead and cannot be caught for an out or hit a player for an out. Airball shots may be caught for an out.

A team may throw a ball at an attempted regeneration shot in order to block the shot. The ball thrown in order to block the shot does not need to be caught.

OVERTIME
1. If an equal number of players remain after regulation play, a sudden death overtime period will be played.
2. The first team to legally eliminate any one opponent will be declared the winner.
3. The overtime period will begin with each team having three “balls in hand” behind their end-line.
4. No timeouts are allowed during overtime.

Dead Ball
The Ball will be ruled dead anytime it:
1. Hits and/or is caught by another participant.
   a. In the event that a ball strikes an opponent, but remains airborne, only the originally-stricken player may attempt to catch the ball.
   b. If the ball is caught by a teammate, the player will still be deemed out, as the ball has become dead on arrival.
2. Contacts the floor, backboard, wall, ceiling and/or curtain
3. Exception - A ball that contacts the backboard, ceiling, and/or basket support system on a regeneration shot and is successful is okay.
4. Contacts an opposing player’s ball.
   a. If a ball is thrown, hits an opponent’s ball, and then contacts the opponent’s person, the opponent will not be declared out.

STALLING AND 5-SECOND VIOLATION
1. Obvious stalling shall be called at the discretion of the official.
2. It is illegal for the leading team to control all the balls for more than five seconds. If all balls are located on one side of the court, the leading team (team with balls) must make a legitimate effort (i.e. thrown or rolled not placed) to get at least one ball across the 10 meter and into the opponent’s backcourt. If this is not done within five seconds, a “5-second violation” will be called.
3. Penalty for 5-second violation(s):
   ♦ First Violation: Play will be stopped and the balls will be divided evenly among the teams. Play will continue with “balls in hand.”
   ♦ Second Violation: Team without possession of all balls will be awarded all balls. (i.e. balls change team possessions).
   ♦ Third Violation: Ejection of one player from the offending team.
SPORTSMANSHIP VIOLATION
1. A Yellow/Red card system will be used to control unsportsmanlike conduct and improper behavior.
2. A player that is ejected cannot be substituted for; the team must play down a player.
