BEHAVIOR AND SPORTSMANSHIP
It is every player’s responsibility to know the rules and abide by them. It is also every player’s responsibility to respect and cooperate with the officials. It is the responsibility of the team captain to insure proper behavior on the part of his/her team’s fans. The team captain is ultimately responsible to the intramural staff for all the above.

As a university activity, intramural sporting events expect the same conduct and behavior as in any other social and/or recreational campus activity. Friendly competition and good spirited rivalry are expected. However, officials and field supervisors are university employees and will not tolerate verbal abuse or physical threats from or amongst players, coaches or spectators. Inappropriate conduct can result in penalties ranging from game ejection to lifetime suspension. Furthermore, inappropriate conduct will be dealt with in the same manner as any violation of the university conduct code. Violations will be reported to the University Judicial Officer.

Sportsmanship Ratings will be assigned by the officials following each contest. Ratings are posted online. A team must have a “2.8” average to be eligible for the play-offs, regardless of their win/loss record. Any team receiving two grades less than a “2.0” will automatically lose their intramural deposit and will immediately be removed from the league. During playoffs, a team receiving a sportsmanship rating lower than a “3.0,” will not be allowed to advance regardless of victory.

GENERAL
You must show a valid CSUC or California ID to participate. ID cards will be collected by officials prior to contest. No ID, no play, no exceptions. Any problems with lost or misplaced IDs must be taken care of prior to game time.

game information and must do so in a courteous manner. Any verbalization directed toward an official other that outlined above, will result in a technical foul and dismissal from the contest.
