Transgender Task Force
Transgender Mentorship Program

Mentees Description
The goal of the Transgender Mentorship Program is to link CSU Chico LGBTQQIA (Lesbian, Gay, Bisexual, Transgender, Queer, Questioning, Intersex and Asexual) students who are new to CSU Chico and/or the queer community with mentors who can provide them with academic, personal, and social support. Any CSU Chico student can apply, and participation is confidential.

We want our Mentees to:
• Talk about experiences
• Gain support and confidence
• Explore ways to get involved on campus
• And have a great time!

Time Commitment:
• 5 Hours per quarter total
• This will likely consist of ten 30-minute sessions held weekly throughout the quarter
• You and your mentor can go to lunch, sit on the quad, come to the LGBT Resource Center, go to a program or event – whatever you agree upon!
• Whatever you choose to do together, you are not required to spend any money.
• Remember, you can spend more than five hours with your mentee if you want; the 5 hours is just the minimum amount of time required for the program.

There will also be an optional social gathering at the end of the quarter so that mentors and mentees have an opportunity to get to know other people in the community. More information on this event to come!

Confidentiality Notice: Confidentiality is of paramount importance. Participants’ involvement in the program will not be known by anyone except you, their mentor, unless they wish otherwise. We ask that you act with sensitivity to this concern, as the mentor/mentee relationship will be driven by the wants and needs of the mentee. Please email completed application or questions to aydinkennedy@gmail.com. You can also turn in a hard copy to the front desk of the LGBT Resource Center.
