Fellowship Application

Jump-start your chemistry career. Become part of ***CSRI 2026*** by carrying out undergraduate research at Chico State in collaboration with Chemistry and Biochemistry faculty. These ***CSRI*** fellowships provide up to a $6000 stipend for 10 weeks of in-person full-time research and are generously funded by a variety of granting agencies, industry partners and alumni donors.

Name _____

ID # _____ Email _____

Major _____ Anticipated grad date _____

Statement of Interest
On a separate sheet please describe your scientific, academic, and career goals including any areas of chemistry of particular interest.

Letter of Recommendation
Provide a Letter of Recommendation from a chemistry or biochemistry faculty member.

Chemistry Course History
List all of the chemistry courses (post high school) you have taken or are currently enrolled in. Include the instructor's name, semester and year taken, and school.

Class	Sem/Year Taken	Instructor	School
example: CHEM 111	*Fall 2025*	*Wasinger*	*CSU, Chico*
