Application to the MS/DPD Program

Applicants who have completed dietetic-related coursework believed to be equivalent to the [DPD coursework](#) at California State University, Chico can request individual courses be reviewed for equivalency by the DPD Director. Please check one of the following options:

I intend to complete the [DPD coursework](#), apart from the pre-requisites listed on page 1, at California State University, Chico

I wish to submit previous coursework to be reviewed for equivalency by the DPD Director*

* Be advised that a minimum of 18 credit hours of DPD coursework must be completed at California State University, Chico to earn a DPD Verification Statement along with the MS degree.

Applicants with US Coursework

Course #	Course Title	Institution	Semester/Quarter and Year	Grade Earned

If accepted, the DPD Director will ask for supporting documentation such as course syllabi, reading lists, and major assignments, etc.

Applicants with Foreign Degrees

Applicants with previous dietetic coursework completed outside of the US must submit a Course-By-Course foreign transcript evaluation from World Education Services (WES) before enrolling in DPD courses.

The Commission on Dietetic Registration (CDR) requires that foreign degrees be deemed equivalent to a degree granted by a U.S. institutional accredited college or university that is recognized by the United States Department of Education (USDE).

If provided with an unofficial electronic version of the evaluation, the file can be uploaded with your application or emailed to the DPD Director at lccurtis@csuchico.edu as long as the official paper evaluation is sent directly to the Department of Nutrition and Food Science at California State University, Chico.
