Elaina McReynolds, Program Director
- Advisor guides sent out regularly –
  - Please contact Elaina if you have not been receiving them
- Summer Course Registration opened April 2nd – Cost is $302 per unit (undergraduates)
  - RCE grants are available (student must be Pell eligible)
  - Summer Aid Info: [https://www.csuchico.edu/fa/programs/summer.shtml](https://www.csuchico.edu/fa/programs/summer.shtml)
- 109 online classes offered this summer & working to get more

First Year Experience 2019/20 Opportunities
Dr. Ellie Ertle, Director First Year Experience Program
- FYE creates a variety of U-Courses comprised of GE courses typically taken the first year
  - Designed to increase student Academic Engagement and help student’s GPAs
  - Each U-Course is 6 units with a co-hort of 100 students
  - Incorporates social aspects - students tend to be more engaged in class
  - Reminder – both classes must be in their shopping cart when registering for a U-course
  - Also offered in the spring – please encourage students to enroll
- All U-coursed listed on [Course Link Page](https://www.csuchico.edu/)
- Please contact Ellie with any questions about U-courses or the FYE Program

Middle Leadership Academy - Mission and Progress
Dr. Ellie Ertle
- Funded by Student Success Network
- Six Representatives from campus
  - Ellie Ertle, Pablo Soto, Jeff Bell, Dawn Frank, Jason Nice, Noemi Casillas (student)
- Thinking about equity at Chico State & best practices for closing equity gap
  - Presented to Academic Senate - a resolution on equity

Summer Orientation
Dr. Rebecca Berner, Program Coordinator Orientation and New Student Programs
- Registration for [Summer Orientation](https://www.csuchico.edu/) is Open
  - Students must DEIN before registering for Orientation (overnight process)
  - 23 sessions – All communications will go through TargetX
  - All transfer session will occur in July – Document deadline is July 15
  - Four Spanish sessions offered over the course of the summer
  - Robust Online Orientation available for students unable to attend
- Please look for emails pertaining to: Reserved Seats, Faculty Advising, Lunchtime Resource Fair

Upcoming Events
- Day at the University Farm – Friday, April 19th

Important Advising Updates and Deadlines
- Continuing Student Registration: Monday, April 22 – May 17
- Registration Holds
Campus Advising Collaborative Meeting  
Tuesday, March 26th 2019  
Meeting Minutes

- Financial Agreement (already on continuing student’s accounts)
  - Replaces pop-up (hold removed immediately)
- Back on Track (Probationary) - sessions offered in April
- NCAA Athletics Advising - required to attend workshops
- Not Any More online training- becomes a hold on April 1st (if not completed)

Smart Planner Advising Tool  
Cari Phipps, Degree Audit Programming
- Working on a user adoption and roll out plan
- DGAP (Degree Audit Programming) will provide various trainings
  - Staff or department meetings
  - Classroom Presentations
- Smart Planner link can be found in the Student Center
- Initially programmed by referencing four-year MAPS (major academic plans)
- Recognizes pre-requisites, when courses are offered (i.e. fall only), makes suggestions and tells students when a class is full
- Contact DFAG with questions or requests for personalized demonstrations

Spring Grading Deadline and Priority Registration Enrollment Limit  
Dr. Michael Allen, University Registrar
- Spring 2019 grades are due May 31st
- June 3rd
  - List of missing grades will go out to Deans
  - RDs will be added (end of day)
    - RD = Report Delayed (missing grade)
    - Change of Grade form must be submitted for each RD in the system
    - Very manual process that creates additional work for faculty & Office of the Registrar
- Communications will be coming out from Provost and VP Student Affairs
- Unit limit is 18 for everybody during priority registration
  - Will reassess this after one year

Closing, Final Remarks  
Dr. Kaitlyn Baumgartner Lee, Assistant Vice President for University Advisement
- Webinar – Advising at Risk Students
  - Discusses risk aversion – when things don’t go well with students
  - How the extra mile could go too far (unintentionally) we need to educate ourselves
  - What training and support we need
- Possible professional development opportunities –
  - California Collaborative Advising & Counseling Conference
  - NACADA
    - Awards available – we need to apply to be recognized for what we are doing on our campus
- CAS - Counsel for the Advancement of Standards in Higher Education
  - Opportunity for department self-assessment
- Reminder - Apply for Student Learning Fees & GI 2025 funding (when available)
