Welcome & Introduction
  Kaitlyn Baumgartner Lee, Assistant Vice President for University Advisement

Housing Updates
  Dan Herbert, Director of Off Campus Student Services
  and Corinne Knapp, Associate Director of University Housing
  - Waiting for further information about the fall semester before the final plan is determined. Will only be able to provide limited occupancy; have created several potential scenarios on how that could work. Will prioritize student groups who are more likely to experience housing insecurities (i.e., Path Scholars).
  - Dorm move out process is currently happening on the weekend; students have scheduled time slots (roughly 300 students moved out this weekend). Will continue for the next three weekends.
  - Survey for off campus providers stated 50% of the students stayed in Chico. For next year, those apartments with less expensive rent are filling-up. The larger, newer, more expensive properties still have availability.
  - At this time, students are being held to private leases (off campus housing). This is not an issue specific to Chico; unfortunately, there is little we can do to help unless there is some type of government intervention.

Wildcat Welcome
  Kendra Wright, Program Coordinator – Student Organizations and Leadership Education
  - Good News, Wildcat Welcome is still happening!
  - Wildcat Welcome Logo is available; if you would like to use it for any of your programming or promotional items, email Kendra
  - Events already in the works
    - CAVE: Virtual Scavenger Hunt
    - Library: Game Night
    - WREC Sports: Virtual 5K
  - Planning weekly events for Transfer students in August
  - Working to re-envision the Friday before school – specifically the mandatory department meetings and college receptions

Enrollment and Admissions Update
  Kim Guanzon, Director - Office of Admissions
  - Intent to enroll deadline extended to June 1st
  - At this time, we have 2447 Freshman & 1268 transfers
    - Since the announcement that we will be mostly online in the fall, 52 students have changed their minds and backed out.
  - Common questions include housing and registration fees
  - Also looking ahead for Spring 21 (application opens in August) and Fall 21 (application opens in October)
  - Admissions is offering virtual campus tours for prospective students
  - Students can defer their admissions up until the Friday before classes start
If a freshman defers and takes classes at a community college, they then become a transfer student and will have to go through the application process again once they have met transfer requirements (60 units and all of Area A).
