I am also aware that it is my responsibility to contact the appropriate faculty member, or instructor of record, prior to course enrollment, to inquire about any concerns related to appropriate course content for my child. STUDENT AGREEMENT

Previous college or university enrollment other than Chico State: I have attached complete unofficial copies of my college or university transcripts

I verify that I meet all High School Scholar (HSS) program eligibility requirements. I understand that, as a HSS participant, I will be permitted to enroll in courses on a semester-by-semester basis concurrent with my high school enrollment and that participation in this program in no way assures my acceptance to the University as a fully matriculated applicant in the future. I further understand that all courses attempted will become part of my permanent academic record; that I will be held to the same academic standards as regularly-enrolled Chico State students; and that the instructor's approval is contingent upon appropriate space availability in the course(s). (A HSS participant can never take the course space of a regularly enrolled Chico State student.) Additionally, I authorize the release of my high school and/or college transcripts, including grades and test scores, to Chico State for the purpose of verifying my eligibility for the HSS program and proposed courses.

With my signature below, I certify that I have provided complete and accurate responses to all the items on this application. I understand that any misrepresentation or omission may be cause for denial, or cancellation of admission or enrollment.
