**Tees:** Ladies Tee Off the Green Tees; Men Tee Off the Blue Tees

**Rules:** Everyone on the team tees off. Select the best drive. The person whose shot you select is NOT eligible to hit the next shot. Once you reach the green, all players are eligible to putt. For all shots, place the ball within one club-length of selected shot, no closer to the hole. Ball must remain in sand trap, rough, fairway, or fringe of the green if you choose to select a shot with that lie.

Each player receives 1 ft of string. **Here's an example of how to use the string:** Assume the team is putting for a four and all members have completed their attempt. If the ball closest to the hole is six inches, the team may elect to cut six inches from the string and record a four rather than a five. Individual strings may be tied together.

**Scoring:** Teams will be divided into three flights: **Augusta, Olympic and Pebble Beach.** Awards will be given to the first place team in each flight. The overall winners will get their name engraved on the perpetual plaque.

**Early Bird Contests (open to all players; Early Bird Contests close at 10:45 a.m. sharp):**
