

Dear diary,

Today I helped a (1) \_\_\_\_\_ (2) \_\_\_\_\_ rescue its people from (3) \_\_\_\_\_.

I had just finished lunch (my favorite, (4) \_\_\_\_\_ with (5) \_\_\_\_\_ sandwich!) and had decided to take a walk through the (6) \_\_\_\_\_ to help it digest. I was enjoying the sun when suddenly the (1) \_\_\_\_\_ (2) \_\_\_\_\_ appeared to me. It said its name was (7) \_\_\_\_\_ and that its people needed my help! Their land, the (8) \_\_\_\_\_ of magic and mystery, had been inundated by (3) \_\_\_\_\_ and it had actually taken on a life of its own and become sentient! Quickly, I changed into my superhero form, (9) \_\_\_\_\_ (10) \_\_\_\_\_. Together, (7) \_\_\_\_\_ and I teleported to their land. The evil (3) \_\_\_\_\_ monster was terrorizing the land! It smelled like (11) \_\_\_\_\_ and was disgusting! The entire ecosystem was being destroyed! I had to act fast!

I used my (9) \_\_\_\_\_ powers to confuse the monster in a sneak attack! Then (7) \_\_\_\_\_ and their people were able to make it angry by making silly faces at it and doing bad (12) \_\_\_\_\_ and (13) \_\_\_\_\_ impressions. Meanwhile I snuck up behind it and found its vulnerable spot. With a loud "POP!" sound I deflated the monster using a (14) \_\_\_\_\_ that I happened to have in my back pocket (you never know when a (14) \_\_\_\_\_ will come in handy!). All of the (2 plural form) \_\_\_\_\_ and (7) \_\_\_\_\_ cheered and together we cleaned up the mess. After, we had a big party where they made their specialty, (8) \_\_\_\_\_ sweet (15) \_\_\_\_\_ pie! We celebrated and danced until it was late. Then it was time for me to leave. (7) \_\_\_\_\_ transported me back to the (6) \_\_\_\_\_ where they'd found me and wished me goodbye. They gave me a medal as thank you for my help. It was all in a day's work for a conservation hero like me.
