

External Reviewer Information Collection and Analysis Guide

California State University, Chico

Undergraduate Degrees Programs: Academic Program Review

This Information Collection and Analysis Guide assists external reviewers in collecting, analyzing, and reporting relevant data throughout the external review process. More specifically, the guide is designed to accomplish the following:

1. To assure that the external reviewer examines a program's performance with respect to each of the criteria of review;
2. To provide the external reviewer with a convenient form of recording strengths, weakness and issues identified during the Self-Study Report review for further assessment and verification during the campus visit; and
3. To provide a single place to record strengths, weaknesses and issues to be included in the External Review Report.

1. Mission and Program Goals

CFR	Criterion for Review, does the program satisfy each of these criteria:	Pre-Visit		Post-Visit	
		Yes	No	Yes	No
1.1	The program has a clear and published mission statement.				
1.2	The program has developed and widely disseminated its program goals.				
1.3	Consistent with its purpose and character, the program demonstrates an appropriate response to the increasing diversity of society and the student body in its support of student success in its mission and goals.				
1.4	The program has developed and begun to use key indicators and sources of evidence to ascertain the level of achievement of its mission, goals, and success of its students.				

Self-Study Report Analysis

Include: a) clarification issues and (b) verification issues

Post-Visit Comments

Standard 1: The program articulates its mission and its goals as a guide to its future, planned evolution, infrastructure, and use of resources. The program has a clear and conscious sense of its essential values and character, its distinctive elements, its place in the campus community, and its relationship to society at large. The program uses effectiveness and performance indicators beyond inputs and resources as the organizing basis for defining, evaluating, and reflecting on program quality and program effectiveness.

Assessment of Appropriateness of Evidence for Mission and Program Goals

2. Organizing for Learning: Student Success

CFR	Criterion for Review, does the program satisfy each of these criteria:	Pre-Visit		Post-Visit	
		Yes	No	Yes	No
2.1	The program has specified its expected learning outcomes, which are widely shared among faculty, students, staff, and – where appropriate – external stakeholders.				
2.2	The program's curriculum content and standards align with the program mission, goals, and learning outcomes.				
2.3	The program has established processes for assessing SLOs, has established benchmarks for student performance, documented levels of student learning, and provides examples of the use of assessment results for program improvement.				
2.4	The program actively involves students in learning and provides ample curricular and co-curricular opportunities to enhance and explore applications of their learning.				
2.5	The program actively supports student successes at all stages of their experience in the major. The program directs resources in support of the success of diverse students, tracking students by ethnicity, gender, income, and first generation status in support of retention, learning, and graduation.				

Self-Study Report Analysis

Include: a) clarification issues and (b) verification issues

Post-Visit Comments

Standard 2: The program achieves its mission and attains its goals through the active management of teaching and learning and demonstrates that these functions are performed effectively.

3. Organizing for Learning: Faculty Resources

CFR	Criterion for Review, does the program satisfy each of these criteria:	Pre-Visit		Post-Visit	
		Yes	No	Yes	No
3.1	The program maintains faculty sufficient to provide stability and integrity of the curriculum and on-going quality improvement for program offerings. Faculty workload is aligned with program mission, goals, and outcomes.				
3.2	The program encourages participation in appropriate faculty development activities designed to improve teaching and learning consistent with program mission, goals, and outcomes including student success.				
3.3	Faculty members make scholarly/creative contributions and/or provide service to the community on a continuing basis appropriate to the program's mission, goals, and outcomes.				

Self-Study Report Analysis

Include: a) clarification issues and (b) verification issues

Post-Visit Comments

Standard 3: CSU, Chico recognizes that the quality of educational program efforts is inextricably linked to the quality of faculty and support staff. Faculty, collectively and individually, are responsible for the creation and delivery of effective instruction, the evaluation of instructional effectiveness and student achievement, and

continued improvement and innovation in program offerings and instructional processes. Faculty scholarship, research and creative activity are essential components of the CSU, Chico mission. The program has policies and practices that encourage and support scholarship and creative activity linked to the mission and improvements in teaching and learning.

5. Organizing for Learning: Other Learning-Enabling Resources

CFR	Criterion for Review, does the program satisfy each of these criteria:	Pre-Visit		Post-Visit	
		Yes	No	Yes	No
5.1	Fiscal resources are effectively aligned with the mission and objectives, are appropriately diversified, and are sufficiently developed to support and maintain the level and kind of program offerings both now and in the foreseeable future.				
5.2	The program employs staff personnel sufficient in number and professional qualifications to maintain its operations and to support its mission and program goals.				
5.3	The program's student support services resources are sufficiently coordinated and supported to fulfill its mission and educational purposes.				
5.4	The program holds, or provides access to, information resources sufficient in scope, quality, currency, and kind to support its academic offerings and the scholarship of its members.				
5.5	The program's academic technology resources are sufficiently coordinated and supported to fulfill its educational purposes and provide key academic and administrative functions.				
5.6	The program's space and facilities are sufficient to support its academic offerings.
