Notice Under The Americans With Disabilities Act

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), California State University, Chico, including all of its programs, activities, and services, will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

Employment: Chico State does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title I of the ADA.

Effective Communication: Chico State will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in Chico State programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: Chico State will make reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy its programs, services, and activities. For example, individuals with service animals are welcome in Chico State offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of Chico State, should contact the office sponsoring the event or the Accessibility Resource Center (ARC) at 530-898-5959 as soon as possible, but no later than ten business days before the scheduled event. The ADA does not require Chico State to take any action that would fundamentally alter the nature of its programs or services or impose an undue financial or administrative burden.

Chico State will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids and services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.

Complaints that a program, service, or activity of Chico State is not accessible to persons with disabilities should be directed to the ADA Coordinator.
