Congratulations to everyone who helped make this year’s MakerFaire in Anderson a huge success!!
The Art & Art History Booth was one of the most popular spots for people to stop and check out. Here are a few photos from this awesome event!
“I find it especially gratifying to know that we have students who will take time out of their busy lives to contribute to a community event. Your support of others is really a fundamental attribute that we hold dear among our students at Chico State. Thank you ever so much!!!!

And this thank you would not be complete without a GIANT shout out to David Barta who, in typical Barta form, was the eye of the storm --- in a good way! Without his indefatigable spirit, this would not have taken place.”

-Prof. Sheri Simons
