

CONFIDENTIALITY
 This Plan is the confidential property of Krueger International, Inc. and contains information that is not to be used except in consideration of bids or proposals rendered hereunder. Reproduction or copying of this Plan, in whole or part, is prohibited.

FIELD VERIFICATION
 This Plan incorporates building information compiled from various sources associated with this project and is deemed as reliable. Conditions directly affecting the product or its installation must be field verified.

CODE REQUIREMENTS
 KI typically creates Plans based upon KI's interpretation of applicable sections of the 2018 International Building Code (IBC). However, due to matters beyond KI's control (such as contrary instructions and/or incomplete information from Owner/Architect/Contractor), this Plan may not be IBC compliant. As a result and notwithstanding anything to the contrary now or hereafter stated in any contract to which KI is a party, KI disclaims any responsibility or liability to insure that this Plan complies with federal, state or local statutes, regulation or code section (including, but not limited to, the IBC) applicable to the Project, Project Site, or KI's work, regardless of whether KI may be advised of the same. Approval of this Plan shall include agreement to the foregoing.

KI recommends that these Plans and the resulting layouts be reviewed with a local fire inspector to verify compliance with all local building codes. KI disclaims responsibility for any such review and any claim or liability that may result from non-compliance with local building codes.

THIS PLAN IS NOT INTENDED TO BE USED FOR BUILDING CONSTRUCTION

DRAWING REVIEW
 These Plans are intended to comply with the contract. As such, these Plans must be reviewed by the Owner/Architect/Contractor, or other appropriate representative. If KI is to proceed with product installation in accordance with these Plans, mark the "Approved as Noted" box below, execute and complete the information at the bottom of this page and return this document to KI. If these Plans are to be corrected, mark the "Revise and Resubmit" box below, execute and complete the information at the bottom of this page and return this document to KI. Authorized signature indicates review of these Plans. Below signature print name, title, company or affiliation, and date. Manufacture of product shown is not scheduled until drawing review is complete and authorized signature is received.

It is the Owner/Architect/Contractor's responsibility to notify KI if site conditions have changed or are not depicted on our drawing that would impact our furniture layout after completed field verified dimensions have been obtained.
