CAGD Game Development Transfer 5-Semester Flow

### Transfer GE
- **Elective**: 3 units of elective
- **Physical Science**: B1
- **Life Science**: B2
- **Humanities**: C2
- **Social Sciences**: D
- **Learning for Life**: E
- **Ethnic Studies**: F

### Transfer Units
- **Elective**: 3 units of elective
- **Quantitative Reasoning**: 1st
- **Critical Thinking**: 1st
- **JOUR/ENGL 130W Written Communication**: 1st
- **Oral Communication**: A2
- **HIST 130 US History**: A1
- **POLS 155 Government**: A3

### Interdisciplinary Program
- **Interdisciplinary Program**: **15 Units**
- **Interdisciplinary Program**: **12 Units**
- **Interdisciplinary Program**: **12 Units**
- **Interdisciplinary Program**: **12 Units**

### Junior 1st
- **CAGD 230 Digital Modeling**
- **CAGD 112 Digital Photography**
- **CAGD 170 Video Game Design**
- **CAGD 110 Computer Assisted Art**
- **CAGD 180 Scripting & Programming**

### Junior 2nd
- **CAGD 320 Digital Texturing**
- **CAGD 270 Level Design**
- **CAGD 370 Video Game Development**
- **CAGD 280 Intro to Game Scripting**

### Senior 1st
- **CAGD 350 3D Scanning**
- **CAGD 370 Video Game Pre-Production**
- **CAGD 375W Video Game Pre-Production**

### Senior 2nd
- **CAGD 373 Game Asset Production**
- **CAGD 377 Mobile Game Development**
- **CAGD 374W Interactive Storytelling**

### Senior+ 3rd
- **CAGD 375W Video Game Production**
- **CAGD 495 Adv Production Game Studio**
- **CAGD 489 or 499 Internship or Project**

---

**Arrows represent prerequisite classes. Must take the class on the left before you take the class on the right. All CAGD prerequisite must be completed with a C- or higher.**

- **All CAGD Majors**
- **All Game Dev**
- **All Animation Prod**
- **Animation Grouping**
- **CGI Grouping**
- **Interdisciplinary Program**
- **General Education**

**You must complete CAGD 110, CAGD 112, CAGD 180, and CAGD 230 with a C- or better before you can take any upper division CAGD course (courses with numbers >= 300).**

**CAGD courses in which team projects are published, thus it is best to not take more than one in a semester.**

**Interdisciplinary Program consists of five (5) courses from the Interdisciplinary pool (see Catalog) selected in consultation with your CAGD Advisor.**

**Small boxes General Education (GE) requirement (the requirement is listed in the box). GE A2 & B4 must be taken during the first year.**

**Quantitative Reasoning for CAGD requires no specific course, consider MATH 101, FINA 101, MATH 105; a Computer Science Minor requires MATH 119 a requirement for CSCI 111**

**Your GE classes must include 1 Global Culture (GC), 1 United States Diversity (USD), 2 Writing Intensive (W) plus JOUR/ENGL 130W and CAGD 345W.**

**Revised 2022 05 04**
