June 10-14, 2019
8 a.m. – 4 p.m.
CSU Chico ARTS 111

CIELO ELD/STEM
Summer Institute
Grades 3-6

With 2019-2020 Lesson Study Follow-up

- Develop and deliver standards-based linguistically and culturally responsive lessons
- Integrate the STEM disciplines (central themes: sustainability, ecosystems, weather & climate, role of water)
- Incorporate an inquiry approach to instruction
- Increase Spanish vocabulary in Mathematics and Science for TWI schools
- Engage in community-based learning
- Receive an Honorarium ($750) for full Institute attendance, and additional support for year-long Lesson Study participation
- Earn Professional Development Units (max. 4 unit/year; $60/unit)
