

## CHILD DEVELOPMENT MINOR ADVISING FORM

The Child Development Minor is intended to provide interested students a meaningful supplement and expansion of their major. This program is designed with an interdisciplinary approach to the study of children from birth to emerging adulthood, their families, and programs that serve this group. The program consists of 21 units; 6 are required Core 1, 9 units from Developmental Context and Periods, and 6 units are elective. Students should see a Child Development advisor to inquire about lower division courses (courses numbered below 299) that may be transferred from community colleges.
