Hello CHLD majors and minors. The Fall 18 semester is wrapping up. Your Spring 19 course schedule should be in place; keep in mind that the Add/Drop period opens on January 2, 2019 and at that time you can change your schedule. If you want to add a CHLD course, get on the waiting list at that time and contact Dr. Ratekin at cratekin@csuchico.edu to check if there is space as most CHLD courses are closed. There are few advising appointments left on Thursday of this week and Wednesday of finals week if you would like to meet. You can make an appointment by coming by Modoc 216 or calling the office at 530.898.5250.

Don’t miss the last CDSA meeting of the semester this week on Wednesday, 12.12.18 at 6:30 pm in Modoc 221. As requested by CDSA members, we are featuring a CHLD major alumni for majors and minors to explore career topics. Lisa Jackson, Chico State Child Development Alumni, has built an exciting career in the field of Child Development. She has a Master’s Degree in Education: Curriculum and Instruction from Chico State. She is a parent educator, a Chico State instructor, and has recently played an instrumental role in starting a new early childhood program in our community. If you’ve considered going to graduate school, working with high risk parents, or starting your own ECE program, plan on attending. There will also be discussion about community involvement and leadership opportunities.

See you on Wednesday at the CDSA meeting!
