Hello CHLD majors and minors! We have officially made it to the Fall 2019 halfway point! You should have received your enrollment date for Spring 2020; it’s in your Student Center. Registration opens on Monday 10.28. The first piece of business - remove those holds! Most students appear to have a Financial Agreement hold on their account; I’ve heard it is pretty easy to complete the tasks that need to be done for it to be removed. Many students have other holds; take care of it now so it has plenty of time to process before your registration date. See Academic Advising with questions.

As soon as you remove your holds, fill your cart with your Spring 2020 courses. If you are a CHLD major, use your advising notes as your guide. If you are a minor, follow the Minor Advising Plan and if you have questions, come by CHLD drop-in advising (Modoc 125C) or the CHLD office (Modoc 216). As a reminder, CHLD is offering a new online course in the Developmental Periods area. The title is Social-Emotional Intelligence: Development and Learning. For Spring 2020, the number is CHLD 398, in future semesters the number will be CHLD 360. This course can be substituted for the CHLD minor, call, email, or come by advising for specific info about this.

Winter Session 2020 registration opens on November 1. Two Child Development courses are being offered, CHLD 252 and CHLD 333W.

Drop-in advising has been highly successful! Dates are posted in the CHLD advising office (downstairs next to the Rainbow Room) and in the CHLD main office (Modoc 216). This week’s hours are tomorrow (Thursday 10.24) from 9:30 – 12:30 and Friday (10.25) from 9 am-Noon and 1 – 4 pm. One change for next week – Drop-in Advising has moved from Monday to Tuesday (10.29); same hours (9-Noon and 1-4 pm) and then as scheduled on Thursday (10.31) from 11 am – 4 pm.

Don’t miss the CDSA meeting tonight, 10.23 in Modoc 118 at 6:30 pm. Tonight is a “Spooky Social” movie, food, candy and crafts in Modoc 118 at 6:30. If you are not receiving CDSA meeting announcements, be sure to connect with them on the Chico State orgsync account.

There are several exciting CHLD events coming up in the next two weeks!
- Child Development is being honored this week with the selection of a CHLD major alum for the College of BSS Distinguished Alum award – the first time ever! Elizabeth Nagel graduated with a BA in CHLD with a minor in Family Relations in 1980 and went on to graduate school, completing her Ph.D. from Washington State University. She has many accomplishments in the field of higher education. She is on our campus over the next few days for the award ceremony and will be speaking in several CHLD courses, you may be lucky enough to meet her!
- Dr. Shelley Hart, CHLD faculty extraordinaire, has been selected to be the BSS Colloquium speaker on Tuesday, November 5, 5:30 – 7:30 pm in the BMU. Her topic is Suicide Prevention: Building Relational Capacities. She is a well-known speaker in this area; be sure not to miss this opportunity to hear her discuss this important topic.

If you are looking for summer adventures, check these out
- Upward Bound Summer Task Team Supervisors – a Chico State program for high school students
- IT Tech – a STEM-focused summer education program
- Camp Adventure has two more info sessions - November 7 + November 14, Yo0 206; connect with Jason Morgan for more info

And finally, for those CHLD majors scheduled to take CHLD 392 next semester, you have received your internship days and times via email. Please remember that you will not be able to register for this class; the CHLD office will enroll you after you have turned in your completed packet. Packets are available at your assigned site beginning Monday, November 4 they need to be completed and returned to your site by Monday December 2. The time will go fast so don’t leave it to the last minute!

Whew! That is a lot of information! Hope to see you in the near future!
