

Welcome and Welcome Back Child Development Majors and Minors!

Each month our department will email you important information about the department and your major or minor.

Please help me welcome our newest faculty member, Dr. Yeojoo Yoon to the Child Development Faculty. Dr. Yoon will be teaching CHLD 282 and CHLD 392 this fall semester and spring 2023. Her office is located in Modoc Hall room 107, if her office door is open stop by and say hello!

Our newest announcement is that Dr. Gail Walton is now the department chair and advisor for juniors and seniors in the major. Her advising hours are Monday and Wednesday from 1 to 3 pm in Zoom. More hours will be added prior to spring registration. If you are in Modoc Hall and want to stop by, Dr. Walton's office is now located in Modoc Hall 216B!

With that said, please see the following information for advising! Reminder, that advising is required in the child development major and minor. **We strongly recommend that you make an appointment before spring 2023 registration which will open starting October 24th. For those students scheduled to take CHLD 392 in spring 2023, an advising appointment is required and CHLD 392 applications will not be accepted without an updated smart planner.** Meet with your advisor ASAP

COVID REMINDERS

As much as we want Covid to be a thing of the past, it is not. So please remember, do not come to campus if you are sick, and always call the COVID hotline at 530-898-2222 for information about quarantining and communicate with your professor if you test positive. Here is the University website with more information <https://www.csuchico.edu/coronavirus/>
