The Fall 2022 Class Schedule is available for you to look at and start planning! **To access the fall schedule**, log into your Student Center and on the left-hand side click on Class Schedule. From here, make sure the Term defaults to Fall 2022, and then in the Subject field, type in CHLD, this will bring up all the Fall 2022 class for the Child Development department (if you need to look up a different department you can type in the name of that department to see their schedules)

More of our required courses are transitioning back to in-person in the fall. The University mandate is for departments to return required courses to an in-person format. Also, because our internship courses (i.e., CHLD 282, CHLD 392, and CHLD 492) will require students to complete their internship placements in person, students who are scheduled to take these required courses should plan to be in Chico next year.
If you will be taking CHLD 440, CHLD 492, and CHLD 495W next fall 22 or spring 2023, but know now that returning to campus next fall is not possible for you, please make an advising appointment right away with Dr. Shepherd.

If you are following your smart planner, this means you are taking your scheduled courses in the semesters they are listed in your Smart Planner. For this example, this student knows that they need to register for the Fall 2022 courses that are listed for them. **If you are following your smart planner, you do NOT need to make an advising appointment.**

If you are "off-track" from what your smart planner is listing for you, or it doesn't appear that your CHLD courses are selected (e.g., for most electives in our major, there are different courses you can select to meet these requirements), or you need to make changes to when you take your CHLD courses, please make an appointment with your advisor. Freshman (251/252) and Sophomores (282/353) make an appointment with Cheryl Lugo, and Juniors (392/382) and Seniors (492/495) make an appointment with Dr. Shepherd.

Registration for Fall 2022 will begin April 25th for continuing students. Enrollment dates and times will be based on student rank and other considerations (with seniors being allowed to register prior to juniors, etc). If students have not updated their COVID Booster information, **a hold will be placed on their account** and they won't be able to register for classes until this is completed. This website: https://www.csuchico.edu/coronavirus/ has a link for students to submit their vaccine and booster information.

As always you can email chld@csuchico.edu with any questions or concerns
