If you are "off-track" from what your smart planner is listing for you, or it doesn't appear that your CHLD courses are selected (e.g., for most electives in our major, there are different courses you can select to meet these requirements), or you need to make changes to when you take your CHLD courses, please make an appointment with your advisor. Freshman (251/252) and Sophomores (282/353) make an appointment with Cheryl Lugo, and Juniors (392/382) and Seniors (492/495) make an appointment with Dr. Shepherd.

Appointments can be made using our department website: www.csuchico.edu/chld
