**Continuing Students**

Registration for the fall 2023 semester will open on April 24th

Make sure to make an advising appointment with your advisor to make sure you are on track. If you are following your smart planner, you do not need to make an appointment.

**Dr. Gail Walton - Juniors and Seniors**

**Cheryl Lugo - First year and Sophomores**

**Minor Advising**

Now would be the time for you to look at your smart planner, and look at the fall class schedule. Log in to your student center, **MAKE SURE ALL HOLDS ARE CLEARED**! If your holds are not cleared by the time registration starts you will not be able to enroll in your classes.
After your holds are removed, start adding your classes to your cart, this way when your enrollment day/time comes you are ready to go!

For those that are taking CHLD 382/392 next semester, you will need to enroll in these classes at the same time, which means you will need to put them in your cart.

We will send another email about registration as the time gets closer but for the meantime, email chld@csuchico.edu with any questions about registration, commencement, etc.

Thank you,
Child Development
