Advising Note 4.24.19

Happy Wednesday – hope you’re enjoying the sunshine!

Please join us today at the Child Development Student Association meeting, 5 pm in Modoc 116. The guest speaker will be Lisa Michels from Butte County CASA, a very exciting program which provides opportunities for individuals such as yourself to be trained to support a foster child. Come find out how you can make a difference in this world – and eat pizza at the same time!

Have you ever considered working at the Associated Students Child Development Lab? They are hiring and are hoping you will apply, especially if you have infant/toddler units! I have attached a flyer for more information.

Registration for Fall 2019 is in full swing. Note that HCSV courses now have a prefix of PHHA. The department has changed its name from Health and Community Services to Public Health and Health Administration.

If you are planning to take CHLD 392 in Fall 2019, remember that you will be added to this course by the CHLD office after you have turned in your completed packet to your internship agency. Packets can be picked up from your assigned agency beginning next Monday, April 29 and must be returned to the internship agency by Friday May 10. When your packet is returned you will be registered in CHLD 392.

For graduating CHLD majors – THERE ARE ONLY 15 GRADUATION BRUNCH TICKETS LEFT! The last day to purchase brunch tickets in two days, Friday April 26. Tickets ($10) can be purchased in the office (cash or checks) or at this link (credit/debit). The Brunch will be Saturday May 4th from 10 am – Noon in Colusa. We will be celebrating Carol Ann Marshall’s retirement and all of our graduating seniors. This is a fun event – be sure to invite friends and family.

Graduation sashes ($15) are available in the CHLD office, you can pay with credit/debit here or cash/check in the CHLD office.

Enjoy this sunny day and call the CHLD office (530.828.5848) or come by (Modoc 216) if you have questions!
