Key:
- Red: General Education Requirement
- Blue: Business Administration Minor
- Green: Embedded within CIMT curriculum
- Grey: Concrete Industry Management Course Requirement

Courses that are connected belong to a critical path and are to be taken in order: connection lines denote relevant sequencing.

Any course marked with an asterisk must be completed with a grade of C- or higher in order to meet prerequisite requirements for subsequent courses.

Concrete Industry Management faculty advisors are assigned to all declared CIM students. Advisor assignments can be located in the CSU, Chico Student Portal.
