A. **Prerequisites**  
CMGT 340 – Statics  
CMGT 345 – Strength of Materials

**B. Meeting Time & Location**  
CMGT 440-01 Class # 2819 T/TH 9:30 PM – 10:45 PM Langdon 200

**C. Instructor**  
Chris Souder  
Email: csouder@csuchico.edu  
Office Hours: M and W 11:30-12:30pm (2 hours), T Noon-3:00pm (3 hours) or by appointment  
Office Location: O’Connell Technology Center, Room 321  
Office Phone: 530-898-4446 Cell Phone: 530-518-2656

**D. Catalog Description:**  
Prerequisites: CMGT 345  
A study of temporary structures used in construction, including scaffolding, ground support systems, equipment bridges/trestles, concrete falsework and form work and temporary support of permanent structures. The emphasis is on safety, the factors affecting cost, the legal significance, and the engineering basics for the design of the structures. 3 hours discussion. (002079)

**E. Course Learning Outcomes (CLO):**  
*Upon successful completion of this course, the student will:*  
1. Understand Load Paths. (*Reinforce: ACCE SLO #19).*  
2. Analyze materials and equipment used to construct and remove temporary structures on projects.  
3. Understand the risk involved with temporary structure construction (*Reinforce: ACCE SLO #19).*  
4. Understand the different types of systems used in temporary structures. (*Reinforce: ACCE SLO #19).*  
5. Understand factors of safety and their different applications.

**Student Learning Outcomes (SLO):**  
The American Council for Construction Education (ACCE) prescribes 20 Student Learning Outcomes (SLO) as Educational Objectives for an undergraduate degree program in Construction Management. For a list of these 20 SLOs visit the Chico State Department of Construction Managements website [www.csuchico.edu/cm](http://www.csuchico.edu/cm) and the SLO link under ACCE Accreditation drop down menu.

The following SLOs are supported by this course in the form of I=Introduction, R=Reinforced, or DA-Direct Assessment:
F. Course Resource Materials Requirements:

**Textbook:** *Temporary Structure Design*, by Chris Souder.
Publisher - Wiley. Available at campus book store and Wiley website.

**BRING YOUR BOOK TO CLASS EVERY DAY AS WE USE THE MANY CHARTS INCLUDED IN THE BOOK**

Reading material will also be presented for the student, as required, via Bbl and handed out in class.

**Laptop Computer:** A computer may be required for assigned activity work. There are no university provided computers in classroom.

**Advisory Note!**

*Much software we use does not work on Mac based computer operating systems. You will be responsible to have a PC based laptop or install a windows operating system on your Mac computer (dual boot environment only!). See the “Use of Laptops” section of Blackboard learn for further information.*

G. Course Requirements:

**Conduct**

I believe that students are adults and you will be treated and respected as such. Simply put, this means that you will be held accountable for your actions, decisions, and the consequences. I expect each of you to conduct yourself in a professional and mature manner, showing courtesy and respect for fellow students and the instructor.

**Advisory Note!**

During class time any disruptive or annoying behavior, outbursts, unbecoming language, or personal visiting during discussion time will result in you being asked to leave and forfeit that day’s participation points. Your personal agenda must be set aside during class time for the greater good of all your classmates. Schedule interviews and personal business around this and other courses.

**Honesty in the Classroom**

You are expected to be familiar with the University’s policy on academic integrity. As such, there will be no tolerance for dishonesty, sharing of work, and especially copied work. Ethical standards as established by the university will be strictly upheld (see THE UNIVERSITY CATALOG).
Tobacco Products
The use of any type of tobacco product (smokeless, chewable or otherwise) is not permitted in any building at California State University, Chico. If you chew tobacco products, please refrain during class time.

Electronic Devices
The use of pagers, phones, MP3 players and other electronic devices (excluding laptops) is not permitted in class. If you must take a call (work or emergency), please EXIT the classroom before answering the call.

Withdrawal from Class
Please refer to the Academic Calendar Deadlines as published in the University Catalog.

Professional Work
As a student looking towards gaining an internship within the construction industry, it is expected that your completed work will be professional in presentation. Consider this course as practice in presenting professional quality industry work to your future employer.

H. Instructional Methods:
This course is designed around the following methods of presenting material to the student:
1. Class discussions and assignments reinforced by quizzes.
2. Problem Sets and a Project which are designed to reinforce the students learning process of Temporary Structure Design.
3. Quizzes and Exams to expand the student’s knowledge in the subject matter.

I. Assignments:
Out of class work will be assigned on a regular basis. Completed assignments will be collected at the beginning of class; please bring your work pre-printed to class for submission.

Advisory Note!
There will be NO class time available for printing assignments at the beginning of class. Assignments will be collected at the beginning of class and any submission during class time will be considered tardy and will be docked 10-20% of the available points. All other submission are considered late and will not be accepted for credit, unless prior arrangements have been made. Assignments will be graded and returned within one week to assist the student in the learning process.

Readings
Readings are noted in the course calendar. You are encouraged to have the required reading completed prior to class, as this will facilitate your comprehension of discussion materials.

Activities
There will be weekly activities assigned to reinforce your understanding of the current classroom discussion material. These activities are intended to build your skills in reading building plans and specification, by discipline, and continue your development in using common industry software.

Group Work
You are encouraged to study and work in groups, however all submitted work must be your own original work.

**Course Work Binder**
Keeping your work organized is a requirement for successful completion of the course. There will be no requirement to turn in a notebook.

**J. Assessments:**
Assessments are the basis of determining your ability to create, analyze, apply, and understand the Course Learning Outcomes (CLO) and Student Learning Outcomes (SLO) provided by ACCE. Instructional target goals have been established (as noted above) and the results of the assessment in these areas will be used to determine the success of the student and instructor for this course.

**Quizzes**
Quizzes will be given based upon the class discussion, assigned readings, and material presented. Quizzes will USUALLY be unannounced.

**Advisory Note!**
There will be NO make-up quizzes unless you notified me of missing class prior to the class time.

**Exams**
There will be two mid-term exams and one final exam. The final exam will have overall coursework objectives comprehensive questions and new information questions. Normally there will not be a make-up for anyone missing an exam. *If a student is unable to take an exam due to an emergency or illness, or is entitled to special dispensation the instructor should be notified in advance.* Non-excused absences will yield a score of zero. No makeup exams will be given, except for a serious and compelling reason as outlined by the University Catalog.

**Participation, Attitude, and Attendance**
A portion of your course grade will be based on participation, attitude and attendance.

**Advisory Note!**
Attendance/Participation is by random roll calls and POP Quizzes.

**K. Grading/Evaluation:**
All point totals shown are approximate and subject to revision during the course of the semester.

<table>
<thead>
<tr>
<th>Evaluation Criteria</th>
<th>Weighting</th>
</tr>
</thead>
<tbody>

Grades are generally assigned by the following distribution, although the professor reserves the right to modify the distribution.

- **A** = 94 -100% (Exceptional)
- **A-** = 90 – 93% (Excellent)
- **B** = 83 – 86% (Good)
- **B-** = 80 – 82% (Adequate)
- **B+** = 87 – 89% (Very Good)
- **C+** = 77 – 79% (Above Average)
C  =  73 – 76% (Average)  D  =  56-62% (very Inadequate)
C-  =  70 – 72% (Below Average)  F  =  < 56%  (Failing)
D+  =  63 – 69% (Inadequate)

Advisory Note!

Dates may fluctuate up to one week earlier or later with proper notice

M. University Policies and Campus Resources

Academic integrity
Students are expected to be familiar with the University's Academic Integrity Policy. Be familiar with the University's policy on academic honesty. I take this issue very seriously, and will not tolerate any form of dishonesty such as plagiarism or cheating. Your own commitment to learning, as evidenced by your enrollment at California State University, Chico, and the University's Academic Integrity Policy requires you to be honest in all your academic coursework. Faculty members are required to report all infractions to the Office of Student Judicial Affairs. The policy on academic integrity and other resources related to student conduct can be found at: http://www.csuchico.edu/sjd/sja.shtml

**Campus Policy in Compliance with the American Disabilities Act**
If you need course adaptations or accommodations because of a disability, or if you need to make special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible, or see me during office hours. Students with disabilities requesting accommodations must register with the DSS Office (Disability Support Services) to establish a record of their disability.

Special accommodations for exams require ample notice to the testing office and must be submitted to the instructor well in advance of the exam date.

**Student Computing**
Computer labs for student use are available http://www.csuchico.edu/stcp located on the 1st floor of the Merriam Library Rm 116 and 450, Tehama Hall Rm.131 and the BMU Rm 301.

**Student Services**
Student services are designed to assist students in the development of their full academic potential and to motivate them to become self-directed learners. Students can find support for services such as skills assessment, individual or group tutorials, subject advising, learning assistance, summer academic preparation and basic skills development. Student services information can be found at: http://www.csuchico.edu/5.-studentservices.html.

**Disability Services**
Any student who feels s/he may need an accommodation based on the impact of a disability should contact me privately to discuss your specific needs. Please also contact the Disability Support Services office to coordinate reasonable accommodations for students with documented disabilities. Disabilities Support Services online: http://www.csuchico.edu/dss/studentServices/.

**Student Learning Center**
The mission of the Student Learning Center (SLC) is to provide services that will assist CSU, Chico students to become independent learners. The SLC prepares and supports students in their college coursework by offering a variety of programs and resources to meet student needs. The SLC facilitates the academic transition and retention of students from high schools and community colleges by providing study strategy information, content subject tutoring, and supplemental instruction. The SLC is online at http://www.csuchico.edu/slc/. The University Writing Center has been combined with the Student Learning Center.
N. Other

**Title IX: Confidentiality and Mandatory Reporting**

As a Chico State instructor, one of my responsibilities is to help create a safe learning environment for Chico State students. It is my goal that you feel able to share information related to your life experiences in classroom discussions, in your written work, and in our one-on-one meetings. I will seek to keep information you share private to the greatest extent possible. **However, I am required to share information regarding sexual misconduct with the University.**

Students may speak to someone confidentially by contacting the Counseling and Wellness Center (898-6345) or Safe Place (898-3030). Information about campus reporting obligations and other Title IX related resources are available here: [http://www.csuchico.edu/title-ix](http://www.csuchico.edu/title-ix).
