MBA Electives: 2 courses (6 units) required^:

	Sem	Units	Grade

^MBA electives should come from the College of Business; however, courses from other disciplines can substitute with approval from the MBA Director. The expectation is that students pursue *at least* one 600-level elective course. If a program elective is 400/500-level, instructors will supplement the course requirements to provide a more rigorous, graduate level experience. Please consult with the instructor of the course and the MBA Director or Advisor for details.
