MBA Self-Paced Online Prerequisite Modules

The MBA program has six prerequisite courses. The MBA program allows students to satisfy four of these prerequisite courses (FIN 307, MKTG 305, MATH 108, and ECON 103) by completing the Peregrine Academic Services leveling courses with a post-test score of 75% or higher. Students will not be allowed to take FIN 655, MKTG 673, BSIS 610, or OSCM 607 until successfully completing the leveling courses.
