Message from the Chancellor

Dear Class of 2024,

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. Just a few short years ago, you set your sights on earning a degree. Now, that goal is a reality. I hope you feel a well-earned sense of pride.

Even as numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. By necessity, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary.

Moving forward, you will face new opportunities with the potential for great success. I am sure that you will excel because you have the knowledge, skills and connections gained through your CSU education.

Your personal and educational transformation was aided by faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors, and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues, and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them—all of us—with pride.

You are now part of a network of over 4 million CSU alumni who are powering the social and economic prosperity of our state—and far beyond. You join fellow alumni who are solving our greatest challenges, educating the next generation, fighting for equality, and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections—both to your University and to other CSU alumni—to expand your opportunities and make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you continue on your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, Class of 2024! I look forward to all that you will accomplish.

Felicidades!

Mildred Garcia

Mildred Garcia

CHANCELLOR
CALIFORNIA STATE UNIVERSITY

Message from the President

Dear Graduating Class of 2024,

On behalf of Chico State, I congratulate you on completing your educational journey and reaching this important milestone in life. You have earned your college degree and today we are here to celebrate you. Along with your family and supporters, we applaud your success as you cross the stage to receive your diploma and become a college graduate.

The University faculty and staff who assisted you during your time here salute you for your hard work, dedication, and perseverance. Earning your degree signifies you have accomplished something very special, and it opens a new world of opportunities for you. We are confident in your abilities to go forth and do great things.

Class of 2024, your education has prepared you for the next phase of your life, personally and professionally. As you move on to your next endeavor—a career, graduate school, or some other adventure—do remember that you are, and always will be, a Chico State Wildcat! We are proud of you, and we can't wait to see what you dare to do next.

Congratulations!

Steve Perez

Alumni Association Welcome

Congratulations, Class of 2024!

On behalf of the Chico State Alumni Association, it is my honor to congratulate you on your graduation and welcome you to the global network of more than 183,000 alumni representing Chico State in virtually every industry and demographic.

We encourage you to take full advantage of your free lifetime membership in the Chico State Alumni Association. We are your connection to programs, virtual services, and experiences that can strengthen engagement with your alma mater and your fellow alumni.

Here are some easy ways to get involved:

- Stay informed. Read our *Inside Chico State* e-newsletter; get social with @chicostatealum on Instagram, TikTok, Facebook, and X, and join our LinkedIn group!
- Stay connected. Whether it's attending a regional event or returning home for Wildcat Weekend, you can rely on us to help foster relationships that support a strong connection to the University.

The University Honors Program

The University Honors Program was established in 1986 to provide outstanding qualified students with a rigorous and student-centered learning community approach to enhance their University experience.

Honors in General Education

Qualified students are invited to apply for Honors in General Education as first-semester freshmen, continuing, transfer, or re-entry students. Students earning Honors in General Education have completed a challenging curriculum within the program and have maintained a cumulative GPA of 3.3 or above.
