Reminder: The CSU requires students to be fully vaccinated against COVID-19. This requirement now includes receiving a booster shot by February 28, 2022 or five months from your last Moderna or Pfizer vaccination or two months from the Johnson and Johnson vaccine, whichever is later, unless you have an approved exemption. Chico State also requires everyone on campus to wear an approved face mask covering the nose and mouth in all indoor campus spaces and in order to participate in this course.

Policies and requirements regarding COVID-19 are subject to change pursuant to campus, local, state and/or federal guidelines. Please note that dishonesty relating to the vaccination policy and/or your failure to comply with any other COVID-19 related safety policy or mandate, including the face covering requirement, may result in disciplinary action against you through the office of Student Conduct, Rights and Responsibilities, which can include suspension or expulsion from the California State University system. Individuals unable to wear a face covering due to a medical condition should contact the Accessibility Resource Center immediately by phone at (530) 898-5959 or by email at arcdept@csuchico.edu.
