

Chico State Enterprises Announcements
Chico State Enterprises Website Launch
Thursday, October 10, 2019

Chico State Enterprises (CSE) is pleased to announce the upcoming launch of the new [CSE website](#) on Friday, October 11th! With this launch, the Research Foundation (RFDN) and the Office of Research and Sponsored Programs (RESP) websites will no longer be accessible.

The primary objectives of our site design efforts were focused on consolidating the existing RFDN and RESP website content, fostering enhanced communication, and improving our service to campus.

Once launched, URLs will change, therefore if you have saved any shortcuts to the current websites, please visit the CSE website to access content and new URLs.

We appreciate your patience while we continue with renaming efforts by updating the CSE policies and forms content. If you have any questions, please email [Coleen Stewart](#).

Thank you.
