2021 W-2's – Do We Have Your Current Address?

In preparation for W-2 processing, the CSE payroll team ask that all CSE employees make certain we have the most current address information on file to help ensure accurate and timely delivery of W-2's.

If you need to update your address, please fill out an [Employee Administrative Data Form](#) and submit the completed document through our secure drop box via the link provided below:

As a reminder, once we have completed processing 2021 W-2's, you will also have the ability to access your W-2 through our online portal, Employee Online. You can access Employee Online through either of the two links below or by visiting the [CSE Employee Resources webpage](#).

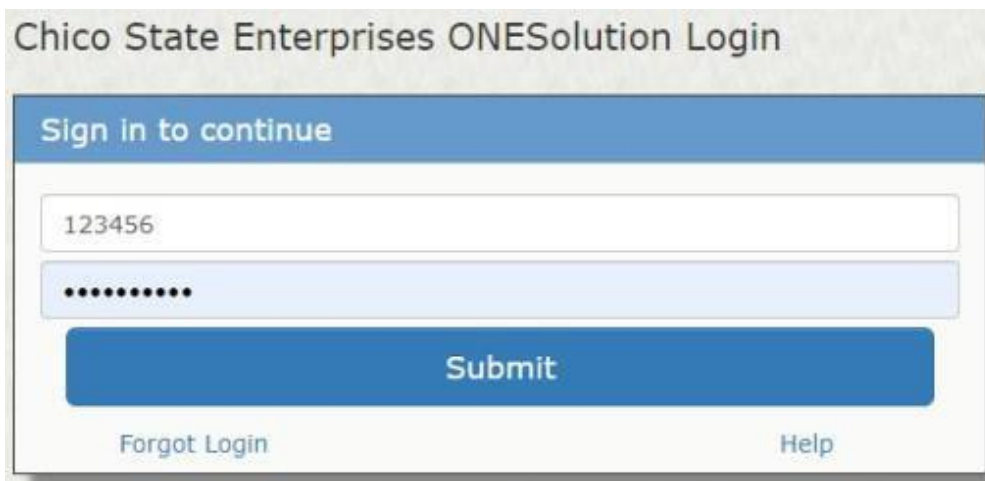

Follow these steps to view your W-2:

1. Copy and paste the link into your web browser. Please note that these links may not work with all web browsers. We recommend Chrome and/or Firefox.

2. Enter your 6-digit CSE Employee ID number. Your default Password, if you have not logged in before, is your Social Security Number with no dashes. After you "Submit", Employee Online will require you to change your password and relog in.
