COVID-19 Communications and Operational Resources Web Page Available on the Chico State Enterprises Website

In response to the COVID-19 situation and need for the most up-to-date operational information, Chico State Enterprises (CSE) has created a COVID-19 web page on the CSE website. All COVID-19 related communications and additional operational information, specific to CSE, can be found on the web page. The web page can be accessed from the [CSE landing page](#). For all Chico State COVID-19 information, please visit the [Chico State COVID-19 News and Information](#) website.
