Midyear Increase to the IRS Private Car Mileage Rate
Effective July 1, 2022

Effective July 1, 2022, the [Internal Revenue Service \(IRS\) standard mileage rate](#) will increase to 62.5 cents per mile, up 4 cents from the rate effective at the start of 2022. The IRS cited that the midyear rate increase is in response to rising fuel costs.

For Chico State Enterprises (CSE) travel on or after July 1, 2022, travelers may claim up to 62.5 cents per mile.

For individuals traveling under contracts requiring the use of [California State Rates \(CSR\)](#), the midyear rate has also increased to 62.5 cents per mile.

CSE travel and mileage forms have been updated to reflect the 2022 midyear rate adjustment and can be located on the [CSE Travel webpage](#). Please carefully select the Travel Expense Claim form listed online based on the trip dates of travel.
