**New Credit Card Processors and Expanded Payment Methods:
Demo Opportunity on September 16, 2022**

Chico State Enterprises (CSE) is pleased to announce that we are transitioning credit card processors. The new processors offer greatly enhanced methods of payment acceptance, including sending out payment links for customers to enter their own credit card information, reporting by events, and more.

If your project accepts credit card payments from customers or may do so in the future, you won't want to miss this special demo from SONA and Clover.

Please join us via Zoom on Friday, September 16th, at 9:00 a.m., to view the Clover virtual terminal in action and a Q & A.
