**Parking Deductions to Resume in September**

Please be advised that parking deductions will resume effective the first pay period of September 2020 (9/1/2020-9/15/2020).

Any Chico State Enterprises (CSE) employees that want to return their parking permits should mail them to Student Financial Services, 400 W. First Street, Chico, CA 95929-0242. To assist with permit processing, please include a note with your full name. In order for employees to not be charged for September, permits must to be received by Student Financial Services no later than **Monday, August 31, 2020**.

Please keep in mind that CSE has a long wait list for “R” parking permits. Once a permit has been returned, there is **no guarantee** the same type of permit will be available in the future.

If you have any questions please feel free to reach out to CSE Human Resources at [CSEhr@csuchico.edu](mailto:CSEhr@csuchico.edu).
