Preparing for CSE's Return to Campus

President Hutchinson announced today Chico State's final phase of its return-to-campus plan. Chico State Enterprises (CSE) is finalizing CSE-specific information, guidance, and timelines for return to campus **as well**. Please note that by return to campus, we are referring to work that occurs both on the main campus site and **at 25/35 Main Street**. Next week you can expect updates in the form of a CSE Announcement, CSE COVID-19 webpage updates, and an invitation for leaders to attend a Q & A session.

We appreciate your continued flexibility and patience as we navigate this process.
