

Chico State Enterprises Announcements
New Procedures for all Separations of Employment
January 8, 2020

In our ongoing efforts to maintain employment and system records in the most efficient and compliant manner, we are sharing new procedures related to separation of employment. Our goal is to meet internal needs for effective management while at the same time maintaining compliance with California Labor Code requirements. Please review the “Supervisor Responsibilities” section on the [Separation of Employment](#) webpage and contact Human Resources at ext. 3536 if you have any questions.
