CSE Vaccination Status Self-Certification Requirement Reminder

As follow-up to [the September 2 announcement](#), we are happy to share that hundreds of CSE employees and new hires have completed their self-certification form.

For those of you who have not yet completed the form, we want to share the following tips:

- If you have not received the email invitation from **CSE Vaccination Self-Certification** with your personalized link to your form, check your “Junk Email” folder.
- The form only takes a couple of minutes to complete.
- If you are no longer working for CSE, please email csehr@csuchico.edu and we'll inactive your record in our employee database and remove you from the list of employees required to self-certify.
- Self-certification is due by September 30th.
