**Deadlines**  
 Funding Expertise. Personally Delivered.

April 01, 2022

This publication includes deadline dates for the month of July 2022 and late announcements for the months of June 2022 and May 2022. Proposals submitted by a referenced target date will be included in a particular review cycle, while those received after the target date will be held for the next review cycle. It is advisable to contact the program staff cited in each listing to obtain all available information.

**Those deadlines marked by an asterisk (\*\*) are tentative. In some cases, these are specific dates that may change depending on the timing of the deadline notices and in others, we have listed just the month during which a deadline is expected. Deadlines marked by a double plus sign (++) are target dates.**

**Program:** Time-Sensitive Obesity Policy and Program Evaluation (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jul 2022 (target date)

Supports research where opportunities for empirical study are, by their very nature, only available through expedited review and funding. All applications submitted to this FOA must demonstrate that the evaluation of an obesity related policy and /or program offers an uncommon and scientifically compelling research opportunity that will only be available if the research is initiated with minimum delay. For these reasons, applications submitted to this time-sensitive FOA are not eligible for re-submission. Annual deadlines: applications due monthly through 9/11/24. Funding will be awarded within four months. See <https://grants.nih.gov/grants/guide/pa-files/PAR-21-305.html> for details.
