This publication includes deadline dates for the month of December 2023 and late announcements for the months of November 2023 and October 2023. Proposals submitted by a referenced target date will be included in a particular review cycle, while those received after the target date will be held for the next review cycle. It is advisable to contact the program staff cited in each listing to obtain all available information.

Those deadlines marked by an asterisk (**) are tentative. In some cases, these are specific dates that may change depending on the timing of the deadline notices and in others, we have listed just the month during which a deadline is expected. Deadlines marked by a double plus sign (++) are target dates.

--------------------------------------------

**Agency:** Spencer Foundation  
**Program:** Research Grants  
**Next Deadline:** Nov 2023 (target date)  
Program relies on researchers to determine the most important issues to pursue. Supports Lyle Spencer Research Awards (TBD) up to $1 million for intellectually ambitious research, oriented ultimately to improving the practice of education, and independent of any particular reform agendas or methodological strictures. Large (late January LOI) and Small (early December) Research Grants cover any topic that falls within Spencer’s mission; Research-Practice Partnership Grants (late October LOI); Vision Grants (9/14/23) and other funding may be available (TBD). See https://www.spencer.org/application-deadlines

--------------------------------------------
**Program:** Specialty Crop Multi-State Program  
**Agency:** U.S. Department of Agriculture  
**Next Deadline:** Dec 22, 2023  
Supports projects to enhance the competitiveness of specialty crops through collaborative, multi-state projects that address the following regional or national level specialty crop issues: food safety; plant pests and disease; research; crop-specific projects addressing common issues; and marketing and promotion. Awards range from $250,000 to $1 million. Colleges and universities residing in Non-participating States may apply (due 11/4/21), while those in Participating States must collaborate with their state department of agriculture (due 12/22/23). See https://www.ams.usda.gov/services/grants/scmp/how-to-apply for details.

**Program:** Solid Waste Management Grants  
**Agency:** U.S. Department of Agriculture  
**Next Deadline:** Dec 31, 2023  
Supports solid waste management projects for rural areas and towns with a population of 10,000 or less. Funds can be used to evaluate current landfill conditions and threats to water resources; and to provide technical assistance or training to 1) enhance operation and maintenance of active landfill sites 2) communities to reduce solid waste; 3) prepare for closure and future use of a landfill site. Annual deadline: proposal window 10/1-12/31. See https://www.rd.usda.gov/programs-services/water-environmental-programs/solid-waste-management-grants for details.

**Program:** Economic Development RNTA  
**Agency:** U.S. Department of Commerce  
**Next Deadline:** Dec 2023 (target date)  
Notice seeking applications for investments that support research, evaluation, and national technical assistance projects under EDA’s Research and Evaluation (R&E) and National Technical Assistance (NTA) programs. Through the R&E program, EDA supports the development of tools, recommendations, and resources that shape Federal economic development policies and inform economic development decision-making. EDA’s NTA program supports a small number of projects that provide technical assistance at a national scope. Annual deadline: required concept proposals accepted at any time. See https://www.eda.gov/programs/rnta/

**Program:** Rapid Response Fund for Aquatic Invasive Species  
**Agency:** U.S. Department of the Interior  
**Next Deadline:** Oct 18, 2023

Supports projects that lead to the eradication of non-native, potentially invasive species, including plants or animals, that reside within fresh, estuarine, wetland or marine waters. Colleges and universities may collaborate with eligible applicants such as state or territorial agencies, interstate organizations, and tribal government and organizations. Applications are due quarterly. The first deadline is 10/18/23, and future deadlines are anticipated on or near 12/31/23, 4/1/24, 6/30/24, and 9/30/24. See https://tinyurl.com/y7hwz66s and https://www.fws.gov/program/aquatic-nuisance-species-task-force and search CFDA 15.608 at Grants.gov.

Program: Assay Development and Screening for Discovery of Chemical Probes, Drugs or Immunomodulators
Agency: National Institutes of Health
Next Deadline: Oct 05, 2023
Supports research projects to discover and develop novel, small molecules that can be used to probe cancer biology, to validate cancer targets, or as the basis for optimized drugs. The small molecules for targets to be pursued must be relevant to understanding cancer biology, and/or for developing strategies for cancer prevention, diagnosis, treatment or clinical monitoring of treatment. In addition to targeting tumor cells themselves, applications targeting immune cells that regulate tumor development are appropriate. Annual deadlines: 2/5, 6/5, 10/5 until 9/8/26. Program: Exploratory/Developmental Grants Related to the World Trade Center Survivors
Agency: National Institutes of Health
Next Deadline: Dec 05, 2023
Supports exploratory and developmental research projects (R21) that address issues related to diagnostic or treatment uncertainty with respect to World Trade Center (WTC) attack survivors receiving monitoring and/or treatment. Major areas of research interest include Physical and mental health conditions that may be related to the 9/11/01 terrorist attacks; Diagnosing WTC-related health conditions for which there has been diagnostic uncertainty; and Treating WTC-related health conditions for which there has been treatment uncertainty. See https://grants.nih.gov/grants/guide/rfa-files/RFA-OH-24-003.html

**Program:** Small Research Grants Program  
**Agency:** Sigma Theta Tau International Honor Society of Nursing  
**Next Deadline:** Dec 01, 2023  
Supports research contributing to the advancement of nursing. Applicants must be registered nurses who hold a master's or doctoral degree or are enrolled in a doctoral program. There is a preference for applications from novice researchers who have received no other national research funds as well as for Sigma Theta Tau members. Approximately 10-15 Small Grants of up to $5,000 each are given annually. Annual deadline: 12/1. See [http://www.nursingsociety.org/advance-elevate/research/research-grants/sigma-theta-tau-international-small-grants](http://www.nursingsociety.org/advance-elevate/research/research-grants/sigma-theta-tau-international-small-grants)

**Program:** ASA/NSF/Census Bureau Research Fellow Program  
**Agency:** American Statistical Association  
**Next Deadline:** Dec 10, 2023 (tentative)  
Program supports fellowships for applicants with recognized research records for a 6-12 month fellowship with the U.S. Census Bureau in the Washington, DC area. Fellows will receive access to access nonpublic survey microdata to develop methodological and subject matter research that can improve data production programs. Research topics include statistical standards, survey design and estimation, evaluation, confidentiality, automation, and others. Stipends are commensurate with applicant qualifications and experience. Annual deadline: 12/10. See https://www.census.gov/topics/research/stats-research/fellowships.html

**Program:** Grants Program  
**Agency:** Environmental Research and Education Foundation  
**Next Deadline:** Dec 01, 2023  
Supports research and education on solid waste management, greater sustainability, environmental stewardship, efficiency and increased knowledge. Solicited proposals must respond to annual research agendas. Focus areas include: waste minimization; recycling; waste conversion to energy, biofuels, chemicals or other useful products; strategies to promote diversion to higher and better uses; and landfiling. Funds projects averaging $160,000. Annual deadlines: 5/1 and 12/1 for required pre-proposal. See https://erefdn.org/research-grants-projects/how-to-apply-for-grant/

Program: Particle Astrophysics and Cosmology - Theory
Agency: National Science Foundation
Next Deadline: Dec 12, 2023

Program supports proposals on theoretical particle astrophysics and big-bang cosmology as well as more speculative string theory-inspired cosmologies. Focus areas include: understanding the quarks-to-cosmos connection; and better understanding the implications of the fluctuation spectra of the cosmic microwave background. Funds support projects that encompass dark matter, dark energy, high energy cosmic rays as well as exotic cosmologies arising from Brane-world and String Theory scenarios, including formulating new approaches for theoretical, computational, and experimental research that explore the fundamental laws of physics. Annual deadline: second Tuesday in December. See https://www.nsf.gov/funding/pgm_summ.jsp?pims_id=505444&org=PHY for details.
