Position Opening

POSITION: Healthcare Simulation Technician
STATUS: Part-time / Non-Benefited / Non-Exempt
COMPENSATION: $24.00 - $27.00 per hour
DEPARTMENT: School of Nursing Rural SimCenter
LOCATION: School of Nursing Rural SimCenter, 560 Cohasset Road, Chico, CA; Travel within the immediate area may be required for in situ simulation trainings.
RECRUITMENT ID: 183
RESIDENCY: Candidate must be a California resident. Chico State Enterprises is not a sponsoring agency for staff and management positions (i.e. H-1B Visas).

ESSENTIAL JOB FUNCTIONS: The SimCenter provides services to the School of Nursing and local hospitals for training of nurses and other healthcare professionals. The Simulation Technologist will provide technical support to Simulation Educators for the day-to-day operations. This will include maintaining and operating sophisticated, high, mid-, and low- fidelity simulators, various medical apparatus, audio/visual equipment, and computers. The Simulation Technician reports to the Rural SimCenter Operations Specialist and Director.

Technical
- Work with faculty to facilitate simulation experiences including classroom set up, and computer and audio-visual operations.
- Prepare manikins and patient spaces for simulation scenarios including setting up simulated wounds and body fluids
- (moulage) and connecting medical apparatus.
- Understand the software programs necessary for running multiple manufacturers’ simulators and patient monitors.
- Understand the capabilities and vulnerabilities of the various models and equipment.
- Post-simulation activities include cleaning the manikins, rooms, and equipment.
- Contribute to keeping all spaces clean, neat, organized, and tour ready.
- Assist with equipment, battery, and supply maintenance to ensure proper working order and longevity.
- Ability to troubleshoot basic software and hardware computer problems, audiovisual issues, and Center connectivity.
- Assist with data entry and management of files such as SimCenter learner agreement forms and data.
- Assist with set-up for trainings, tours and applicable scenarios as directed by the Simulation Director.

Other
- Expected to adhere to all Rural SimCenter policies.
- Responsible for supporting and maintaining a positive work environment for all SimCenter stakeholders.
- Responsible to maintain good community linkages and public relations.
EMPLOYMENT STANDARDS:

- Proficiency with PC applications such as Microsoft Office suite.
- Knowledge of medical terminology is preferred, but not required before hiring.
- On the training will be provided for working with human patient simulators, their computer-based adjuncts, and equipment.
- Physical ability required includes moving large mannequins and hospital equipment.
- Experience with audio/visual equipment (KbPort ETC), Laerdal and Gaumard simulator, software, and hardware is a plus, but not required.

HOW TO APPLY:

To be considered, submit the following documents by July 31st, 2024. Documents submitted after this date may not be considered.

- Resume
