POSITION OPENING

POSITION: Simulation Technician (16 hours per week, Flexible schedule required)
Part-Time, Non-Benefited, Hourly, Non-Exempt
RECRUITMENT ID: 716
LOCATION: School of Nursing SimCenter; Travel within the immediate area may be required for in situ simulation trainings.
COMPENSATION: $18 - $22 per hour

ESSENTIAL JOB FUNCTIONS: The SimCenter provides services to the School of Nursing and local hospitals for training of nurses and other healthcare professionals. The Simulation Technologist will provide technical support to Simulation Educators for the day-to-day operations. This will include operating and maintaining sophisticated, high, mid-, and low-fidelity simulators and audio-visual and computer equipment. The Simulation Technician reports to the Rural SimCenter Operations Specialist and Director.

Technical
• Work with faculty to facilitate simulation experiences including classroom set up, and computer and audio-visual operations.
• Prepare manikins and patient spaces for simulation scenarios including using moulage, setting up simulated wounds and body fluids and connecting medical apparatus.
• Understand the software programs necessary for running multiple manufacturers’ simulators and patient monitors.
• Understand the capabilities and vulnerabilities of the various models.
• Post-simulation activities include cleaning the manikins, rooms, and equipment.
• Contribute to keeping all spaces clean, neat, organized, and tour ready.
• Assist with equipment, battery and supply maintenance to ensure proper working order and longevity.
• Ability to troubleshoot basic software and hardware computer problems, audiovisual issues and Center connectivity.
• Assist with data entry and management of files such as SimCenter learner agreement forms and data.
• Assist with set-up for trainings, tours and applicable scenarios as directed by the Simulation Director.

Employment Standards
• Expected to adhere to all Rural SimCenter policies.
• Responsible for supporting and maintaining a positive work environment for all SimCenter stakeholders.
• Responsible to maintain good community linkages and public relations.

Other
• Strong team player.
• Communicates effectively both orally and in writing.
• Excellent judgement and problem-solving skills.
• Performs all other duties as needed or directed to meet the needs of the Rural SimCenter.
• This position requires displaying sound judgment, accuracy, diplomacy, confidentiality, and discretion.
